**Strategic Business Management in Crisis Times** Geetanjali Varrier, 2025-01-03 Strategic Business Management in Crisis Times explores the vital role of strategic management in navigating unstable and unpredictable environments such as a pandemic. This book addresses the complexities and importance of applying strategic management effectively during volatile situations, providing a comprehensive guide from basic principles to detailed applications. We delve into the history of strategic management during pandemics, examining its impact on businesses and livelihoods. The book highlights how poor strategic management can undermine authority and offers insights on leveraging effective strategies even amid crises. Through global case studies and live discussions with entrepreneurs, readers gain a thorough understanding of strategic management practices in challenging times. The book also covers new strategies developed during the COVID-19 pandemic and revisits historical strategies for managing businesses and livelihoods. It combines conceptual knowledge with practical tips, suggestions, and actionable points, making it a valuable resource for comprehending and applying strategic management in crises.

**Handbook of Research on Challenges for Human Resource Management in the COVID-19 Era** Figueiredo, Paula Cristina Nunes, Tomé, Eduardo Luís de Campos Soares, Rouco, José Carlos Dias, 2022-06-10 The importance of people in organizations has been growing in the organizational environment over the last decades. Digital transformation, artificial intelligence, and sustainability have already reinforced the role of people as a differentiating element for the success and survival of organizations. These phenomena alone are already challenging for people. There is a consensus that the world of work as we knew before the pandemic will not return. Human resource management (HRM) practices must prepare organizations for the future of work. The Handbook of Research on Challenges for Human Resource Management in the COVID-19 Era analyzes the state of the art of HRM in a digital transformation context and investigates the factors that promote more learning and development dynamics in organizational contexts. It also evaluates the impact of HRM policies on individuals, organizations, and societies. Covering topics such as corporate social responsibility, job satisfaction, and electronic performance monitoring, this major reference work is a crucial resource for leaders from public and private companies, human resource professionals, specialists, students, and educators of higher education, researchers, and academicians.

**The Business Year: Saudi Arabia 2021**, This publication is the result of months of on-the-ground research at a time of unprecedented upheaval. Not only was Saudi Arabia already in the midst of an economic revolution aimed at diversifying away from oil and gas, but COVID-19 also upended the very way business is conducted, putting to the test many of the digitalization initiatives carried out in recent years. The pandemic thus served as a validation of many of Saudi Arabia's internal reforms. It also created massive opportunities for some of the nation's up-and-coming businesses. In this 246-page publication, we show how technology completely changed the Kingdom during the pandemic. Things will never be the same. It covers finance, payments, and fintech; IT and digitalization; industry; water and energy; aviation; and defense, transport, and
