Proven Remote Work Productivity For Remote Workers:

The Psychological Challenges of Remote Working Naval Garg, Freda Van Der Walt, John Burgess, 2023-06-27 *Remote Working* Alan Felstead, 2022-01-20 The coronavirus pandemic forced work back into the home on a massive scale The long held belief that work and home are separate spheres of economic life was turned on its head overnight Many employees were new to this way of working and many employers had to manage a disparate workforce for the first time This book reviews what impact this shift had on the lives of millions of employees the organisations which employ them and the societies in which they live It also looks to a future in which more work is carried out remotely at home in the local caf restaurant or bar or while moving from place to place The book synthesises the existing evidence in an accessible and easy to read way It will appeal to all those who want a quick and concise introduction to the major themes associated with remote and hybrid working This will include teachers lecturers students academics and policy makers as well as those who have experienced the challenges and benefits of homeworking first hand *Better Remote Work* Jarkko Oksanen, 2015-06-04 Businesses that are effectively using remote work are getting a large jump on traditional businesses These companies have access to the best talent and the best clients and are producing superior results They also have more fun doing it and are often seen as being the most cutting edge firms in the marketplace Then there are those who may allow remote work but are not doing it to its full extent They often face a lot of social issues and productivity that should be increasing is actually decreasing Many companies are blaming their remote workers for some of these issues which in a few cases may be true These companies need something and someone to push them to get back on track This book will show you how to dodge the many pitfalls of managing remote employees and focus on building your remote team the way it is proven to work in hundreds of organizations around the world It offers insight from experienced team managers from around the world and proven technical solutions straight from the trenches If your business has not begun working remotely this book will give you a good idea of what it ll be like You ll find what major issues will most often come up and the solutions other successful teams and individuals have found in similar situations If you have not worked remotely yet consider this How much of your day do you already work online or through a computer screen Looking from the outside in remote work might sound easy We as remote workers know the truth The benefits are numerous but the issues are undeniable In the end it s far from easy The ideas in the book are meant to be convertible to many different issues and situations that teams could face It s designed so that you can skip to the index in the end and find your own issue or read is as a complete guide to your business s remote work solution With examples and ideas from small teams of three people to larger teams of over twenty people I ve found the key issues and discussed with the people involved to figure out how they managed to overcome the challenge I ll also provide a quick glimpse into the future and make educated predictions about what remote work will be like in the years to come All the upcoming technologies will be very interesting to follow and taking an early mover advantage on some of these when the

time is ripe will give you a strong business advantage I m not going to declare that remote work is easy and will solve all of your business and work problems That s not what it s going to go It will take time to do right and there will be challenges But when done right the benefits will increase your company profits built a culture of empathy and trust and make life better for both your employees and the company owners Managers team leaders developers and everyone who works remotely will find valuable guidance in these pages Find out what different teams around the world have done to counter the inevitable problems and thrive with effective remote work

The New World of Work Bashker Biswas,William Garrison,Robert Ramirez,2022-11-11 Arguing that a functional approach to Human Resource Management is fast becoming obsolete this book explores the many areas of accelerated change in the workplace and how business leaders must evolve their thinking to meet the needs of their workers and managers alike With a clear focus on the accelerations caused by Covid 19 and how technological platforms have enabled working practices and business continuity the book effectively lays the groundwork for a changed but well functioning people management system The authors present the new model of Strategic Human Asset Lifecycle Management that incorporates the drastic changes in how jobs are designed how human talent is acquired how work is performed how work is rewarded and conditions set and crucially how labor laws must change all to meet the fast moving requirements of a digitized world Enriched with cases that illustrate both well adapted and badly adapted organizations as well as helpful summaries and thought provoking challenges this book is an essential resource for all those who aspire to great people leadership in their organizations including HR professionals instructors and upper level students

Remote Work Technology Henry Kurkowski,2021-09-08 Your small business survival guide for the remote work environment In Remote Work Technology Keeping Your Small Business Thriving From Anywhere experienced SaaS and telecommunications entrepreneur Henry Kurkowski delivers a step by step walkthrough for using SaaS technology and communication apps to power your small business from anywhere on the planet You ll learn how to capitalize on the ability to hire a geographically distributed workforce and excel at serving clients at a distance You ll also discover why and how you need to alter your approach to management and spot the common pitfalls that litter the way to a truly distributed business This important book includes Valuable case studies of businesses that embraced the reality of remote working during and after the COVID 19 pandemic and cautionary tales of unexpected challenges that arose during the transition Discussions of how to incorporate remote workers into efficient workflows to increase your business productivity Explorations of how to support your employees when you can t just pop into their office Perfect for small business founders owners and managers Remote Work Technology is also a must read guide for independent contractors who work directly with small businesses and entrepreneurs
