Data and Democracy at Work Brishen Rogers,2023-03-21 An exploration of how major companies have used advanced information technologies to limit worker power and how labor law reform could reverse that trend As our economy has shifted away from industrial production and service industries have become dominant many of the nation s largest employers are now in fields like retail food service logistics and hospitality These companies have turned to data driven surveillance technologies that operate over a vast distance enabling cheaper oversight of massive numbers of workers Data and Democracy at Work argues that companies often use new data driven technologies as a power resource or even a tool of class domination and that our labor laws allow them to do so Employers have established broad rights to use technology to gather data on workers and their performance to exclude others from accessing that data and to use that data to refine their managerial strategies Through these means companies have

suppressed workers ability to organize and unionize thereby driving down wages and eroding working conditions Labor law today encourages employer dominance in many ways but labor law can also be reformed to become a tool for increased equity The COVID 19 pandemic and subsequent Great Resignation have indicated an increased political mobilization of the so called essential workers of the pandemic many of them service industry workers This book describes the necessary legal reforms to increase workers associational power and democratize workplace data establishing more balanced relationships between workers and employers and ensuring a brighter and more equitable future for us all **PC Mag** ,2008-08 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology PC Magazine ,2008 **YouTube Faceless Channel Masterclass** Sophia Reynolds,2025-07-31 Unlock the Future of YouTube Success Without Ever Showing Your Face What if you could grow a profitable YouTube channel earn passive income and build digital freedom all without being on camera Welcome to YouTube Faceless Channel Masterclass your ultimate blueprint to launching growing and automating faceless YouTube channels using AI storytelling and proven strategy Faceless content is no longer a secret It s an unstoppable movement reshaping how creators earn online From viral documentaries and AI powered explainers to niche commentary and cash generating Shorts faceless channels are now dominating YouTube s algorithm and audience attention This book is your fast track to joining them with zero prior experience no expensive equipment and no on screen presence required Inside this masterclass you ll discover The rise and explosion of faceless content in 2025 and how to position yourself to profit 25 profitable faceless niches that are thriving this year Step by step systems to research script voice and edit using free or low cost AI tools like ChatGPT ElevenLabs and CapCut Proven video formats that go viral without a face or voice Thumbnails SEO and titles that convert clicks into views and subscribers Automated workflows for scaling content using freelancers SOPs and AI agents Real monetization strategies AdSense affiliate marketing sponsorships digital products and more Case studies of channels earning 5 6 figures anonymously and how you can reverse engineer their success Whether you re a side hustler a creative introvert a business owner or someone tired of being on camera this book shows you how to build an income generating YouTube brand while staying completely behind the scenes YouTube is changing and in 2025 those who master faceless automation will dominate the platform You don t need charisma You need strategy You don t need to be seen You need to be smart YouTube Faceless Channel Masterclass gives you everything you need to launch and scale a channel that works while you sleep built for the future powered by automation and driven by storytelling Get your copy now and take the first step toward building digital wealth with faceless content creation Faceless YouTube Channel & Automation Caleb West,2024-07-30 Have you ever dreamed of YouTube stardom but shied away from the spotlight Imagine creating a successful YouTube channel without ever showing your face It s not only possible it s a proven path to success In Faceless YouTube Channel Automation you ll uncover the secrets behind
