worked with several hundred businesses from entrepreneurs and small businesses to Fortune 100 companies including 3M Dell Advanced Micro Devices AMD the University of Texas at Austin and Hyundai Steel USA NONE of my books are about making money online by clicking a button All of that stuff you read online from the gurus is total garbage There is no easy fast way to make millions Sorry If that s what you re looking for look elsewhere for people who will lie to you and take your money I m not going to do that My passion is taking the mystery out of the Internet and explaining in clear easy to understand terms how to make money online I strive to inspire you and prove to you that you can do it and show you the exact step by step process many others just like you have successfully used Scroll up and grab your copy today *Affiliate Marketing 2018* Cynthia Lyne,2017-11-21 Have you ever wanted to make some extra cash on the side Or start a part time or have a full time online business from your home Then this classes for you Hi my name is Cynthia Lyne and I m an artist and creative business coach I just love working with creative people and sometimes they might be busy for one reason or another like maybe your stay at home mom or you have a full time job but you still want to make some extra money on the side Well I ve got an idea for you affiliate marketing right I mean you did see the name of the class already but WHAT IT IS AFFILIATE MARKETING In this course I ll introduce you to affiliate marketing what it is what it isn t some of the rules you must follow when using affiliate links and so much more Then we ll cover how to promote your affiliate links in a variety of ways online and I share 9 ideas that really equate to endless ideas when used creatively I even show you some real life examples of other entrepreneurs who are using affiliate links in their businesses In the end I share the most important part about starting an affiliate marketing side hustle You ll have to read to find out what that is Hope you get your copy **Affiliate Marketing For Beginners** Tim Murphy,2020-12-29 If you were to ask a random user of the Internet what he or she thought Affiliate Marketing was he or she would likely claim that it was a way of making money online as an intermediary Here people make a commission from a sale or a referral when a visitor to his or her site clicks on a link that directs him or her to a product or page online However as much as there is a lot of truth there Affiliate Marketing does not only have to take place online For example affiliate marketing is also where a plumber gives a client a discount for referring him or her to a new client It is the same concept This kind of marketing happens a lot in the real world but people do not trace or coordinate it as much as is the case with online marketing Business owners can ask their customers how they came to know about them in an effort to learn about their client base but they cannot get as much information as they would be using online tracking The growing online market has made this type of marketing more popular and profitable It has also made it easier to grow and expand whatever type of business an individual is in with the help of numerous professional marketers who will not necessarily appear on their payroll Therefore while its history started long before the invention of the Internet the Internet has transformed it and made it widely available to the masses You will start by learning all about the ins and outs of affiliate marketing and what you need to get your feet wet in the marketing world You will then learn about the importance of choosing the right niche and how to
