**Another Way** Dave Whorton, 2025-05-06 From the inner sanctum of Silicon Valley and short-term capitalism comes the story of a VC who lived it, then left it, and found a better way to build great companies. Dave Whorton was John Doerr's associate partner at high-flying Kleiner Perkins Caufield & Byrd, a way in which leaders were committed to a purpose beyond personal wealth generation, to putting their people first and to setting up their companies to endure. He calls these companies Evergreen. Another Way combines Whorton's inspiring story with his Evergreen 7Ps framework designed to guide more entrepreneurs and business leaders to follow his path. Full of revelations, practical advice and real-world examples of companies going Evergreen, Another Way is as instructive as it is inspiring, at showing capitalism at its best.

[Religion and Artificial Intelligence](#) Beth Singler, 2024-10-31 Artificial intelligence (AI) is rarely out of the news or the public imagination. Images of red-eyed Terminators illustrate press accounts of incremental advances in medical diagnosis, facial recognition, natural language processing and robotics. Such advances are transforming society through measurable impacts on people's decisions and opportunities. *Religion and Artificial Intelligence: An Introduction* explores an emerging field with a religious studies approach, drawing on cultural and digital anthropological methods to demonstrate the entanglements of religion and AI, our imaginaries of these objects and our ideas about their utopian or dystopian futures. It addresses key topics including the following: What AI is and is not; How religions are reacting to AI with examples of rejection, adoption and adaptation; How

established religions understand creation and place human like AI within that How overtly secular and even new atheist groups understand AI as a tool for liberation from human evolution and religion Religious visions of superintelligent AI This engaging book is essential for anyone considering the relationship between religion science and technology and interested in the questions raised by transhumanism posthumanism and new religious movements The Open Access version of this book available at [http www taylorfrancis com](http://www.taylorfrancis.com) has been made available under A creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **California Farmer** ,2005 **INFORMS Annual Meeting** Institute for Operations Research and the Management Sciences.
