Digital Communication Management Mark Badham, Vilma Luoma-aho, 2025-09-22. This state-of-the-art textbook provides a wide-ranging foundation to communication management, including corporate communication, public relations, and strategic communication from an exclusively digital and global perspective. The book covers the core principles necessary for introductory students of both university and executive programs with a particular focus on how digital technology is shaping communication management in the increasingly volatile environment. To help bring theories, concepts, and challenges to life, it features captivating real-life stories, case examples, and studies, and insightful Q&As with senior practitioners collectively representing almost 40 organizations of various types and sizes from 20 countries across the world. Thought-provoking exercises and critical and reflective questions contribute to a deeper level of understanding of each chapter's topics. These and other pedagogical tools, as well as the newly emerging Digital Media Arena (DMA) Framework, orient readers with the fast-changing global and volatile world of digital communication management. Additionally, the book extensively incorporates emerging topics and future trends in communication management, e.g., digital communication hijacking, misinformation, virtual influencers, and AI-enabled predictive modeling. This book is designed for courses or modules that cover an introduction to communication management, corporate communication, public relations, and/or strategic communication in communications and business schools. Online resources also accompany the text: an author-created podcast, PowerPoint lecture slides, tutorial workshop exercises, case studies, reading reflection forms, quizzes, and instructions for assignments, case study essay, and podcast reflection.
