business owners too often don't know where to look. Sure you can find all sorts of high level strategic tips from Fortune 500 CEOs. But what if you own a restaurant and you're trying to figure out how to source good fish or if you're looking to increase revenue from your plumbing supply store. You'll be running a lot of Google searches before you hear from someone who's actually stood in your shoes. Longtime Square executives Jackie Reses and Lauren Weinberg want to change this. So they reached out across the country talking to dozens of entrepreneurs with valuable businesses and invaluable advice. This book is the product of that research. Part starter kit, part encyclopedia, part inspiration. Self Made Boss is filled with information not just about who these small business owners are but how they built their companies step by step. How did they get their start? When did they decide to hire more staff? How did they set a course for growth? And when problems arose, how did they fight through them? You'll hear from a second generation ice cream shop owner on how to manage price increases, an oyster farmer finding new ways to stay afloat in the middle of a global pandemic, a roofer who refused to be denied or defined by her race and gender, and dozens of other small business owners making a big difference in their communities. No matter the size of your business today or where you're thinking about taking the jump tomorrow, you'll find answers you can apply right away. Because there's a common purpose that all small business owners share: the drive to build something from the ground up, the relentless pursuit of turning obstacles into opportunities and roadblocks into stepping stones. It's tough and messy, hard fought and hard won. And above all, it's something you can't have when you work anywhere else or for anyone else. That's what it means to be a Self Made Boss.

Three Minutes with Spirit: Australia's #1 medium on TikTok Cael

O'Donnell, 2022-05-03 Have you ever wondered if anything exists beyond what you can see around you? Or have you ever felt restless or dissatisfied or as if something is calling out to you from somewhere that's not quite here? So many of us are searching for more beyond the relentless daily grind and feeling lost, isolated or out of touch with our hearts and our minds. Though our busy world is full of distraction, what's often harder to find is a clear path through the noise and confusion. Cael O'Donnell is a former mental health therapist who now uses his abilities as a psychic medium to help hundreds of thousands of people worldwide to find guidance from the universe and tap into the resources already within them. From manifestation and dreams to spirit guides, the tools are all around us if we know how to identify and use them. Exploring the three interconnected aspects of our existence: Source, Spirit, and Self, Cael explains how we can find our true purpose in life, develop trust in our intrinsic sense of direction, and deal with the loss of loved ones and other challenges life throws at us. Complete with three minute exercises that can be done in short peaceful moments or turned into a larger ritual of growth and reflection, Three Minutes with Spirit is for anyone curious about deepening their connection to their inner self and the universe around them and living a more meaningful life.
