a Social Media Age Glenda Cooper, 2018-10-26 From the tsunami to Hurricane Sandy the Nepal earthquake to Syrian refugees defining images and accounts of humanitarian crises are now often created not by journalists but by ordinary citizens using Twitter Facebook YouTube Instagram and Snapchat But how has the use of this content and the way it is spread by social media altered the rituals around disaster reporting the close if not symbiotic relationship between journalists and aid agencies and the kind of crises that are covered Drawing on more than 100 in depth interviews with journalists and aid agency press officers participant observations at the Guardian BBC and Save the Children UK as well as the ordinary people who created the words and pictures that framed these disasters this book reveals how humanitarian disasters are covered in the 21st century and the potential consequences for those who posted a tweet a video or photo without ever realising how far it would go The Phoenix Encounter Method: Lead Like Your Business Is on Fire! Ian C.

Woodward, V. "Paddy" Padmanabhan, Sameer Hasija, Ram Charan, 2020-10-27 A radical new leadership strategy to transform business as we know it from a dream team of INSEAD professors and mega bestselling author Ram Charan The business landscape is littered with the wreckage of companies that crashed and burned when an apocalypse came in the shape of new competitive technologies upstart entrants demographic shifts and new world orders Who can feel safe in firestorm change The authors of The Phoenix Encounter Method don't advise safety In fact their method of leadership thinking requires you to imagine burning your business to the ground throwing yourself into a firestorm change and turning the upheaval to your organization's advantage It can then rise phoenix like from the ashes stronger and more powerful than ever Written with a

sense of urgency and purposefully radical provocation The Phoenix Encounter Method represents the forward thinking of legendary business guru Ram Charan and professors from the senior global leadership program of INSEAD one of the world's top graduate business schools The resulting methodology based on analysis of thousands of articles studies reports and academic and business practice was field tested in real life Phoenix Encounters conducted with more than fifteen hundred senior executives from startups and family businesses to legacy companies representing a broad range of industry and sectors in both developed and developing economies Whatever your sector or industry if you're responsible for your organization's ability to use change as a transformative opportunity you'll appreciate the dramatic impact The Phoenix Encounter Method will have on you your leadership and your organization *Advertising and Promotion* Chris Hackley, Rungpaka Amy Hackley, 2021-01-27 Now in its fifth edition this popular textbook continues to provide a comprehensive insight into the world of advertising and promotional communications Unique in its approach the authors situate the key concepts of marketing communications from the perspective of advertising agencies and provide insight into what a career within an ad agency might be like Their critical approach grounded in up to date research allows the reader to develop an interdisciplinary understanding of marketing and advertising including business socio cultural media studies and consumer culture theory perspectives Along with striking full colour visual advertisements and illustrations new examples and case studies this fifth edition has been fully updated to include Two brand new chapters on Social Media Advertising and Digital Advertising Commentary on how the COVID 19 pandemic has and will impact advertising The evolving role of advertising agencies in the post digital era Emerging forms of advertising and promotion including the role of influencers

Altmetrics for Information Professionals Kim Johan Holmberg, 2015-09-03 The goal of any research assessment is to evaluate the value or quality of the research in comparison to other research As quality is highly subjective and difficult to measure citations are used as a proxy Citations are an important part of scholarly communication and a significant component of research evaluation with the assumption being that highly cited work has influenced the work of many other researchers and hence it is more valuable Recently we have seen new online data sources being researched for this purpose and disruptive ideas with the power to change research assessment and perhaps even science as a whole have been born Altmetrics is the new research area that investigates the potential of these new data source as indicators of the impact that research has made on the scientific community and beyond and thus possibly also as indicators of the societal impact of research This book will present some of these new data sources findings from earlier altmetrics research and the disruptive ideas that may radically change scholarly communication Presents some of the key ideas and innovations in earlier research that have been driving the evolution from bibliometrics to webometrics and with the advent of social media to altmetrics Discusses the shortcomings and pitfalls of bibliometrics in research evaluation and the potential of altmetrics to overcome some of these shortcomings Presents some of the most important data sources of altmetrics the aggregators and the different
