Digital Transformation for Sustainability Jorge Marx Gómez, Maria Rosa Lorini, 2022-12-01 This book presents case studies to analyse the relationship between sustainability environmental social institutional and economic and digital innovation The respective contributions offer a contextualisation of the main present and future trends concerning these two elements and present analyses from economic technical managerial and social perspectives alike The individual sections of the book focus on interactions between sustainability and digital innovation in existing organisations and highlight the new opportunities challenges and threats that may emerge as a result The contributions are mainly based on case studies and research conducted in Europe and Africa with a few focusing on Southeast Asia and Central America and were prepared by experts in the fields of Information Systems Computer Science Social Development and Economics

Work without Jobs Ravin Jesuthasan, John W. Boudreau, 2022-03-29 In this Wall Street Journal bestseller why the future of work requires the deconstruction of jobs and the reconstruction of work Work is traditionally understood as a job and workers as jobholders Jobs are structured by titles hierarchies and qualifications In Work without Jobs the Wall Street Journal bestseller Ravin Jesuthasan and John Boudreau propose a radically new way of looking at work They describe a new work operating system that deconstructs jobs into their component parts and reconstructs these components into more optimal combinations that reflect the skills and abilities of individual workers In a new normal of rapidly accelerating automation demands for organizational agility efforts to increase diversity and the emergence of alternative work arrangements the old system based on jobs and jobholders is cumbersome and ungainly Jesuthasan and Boudreau s new system lays out a roadmap for the future of work Work without Jobs presents real world cases that show how leading organizations are embracing work deconstruction and reinvention For example when a robot chatbot or artificial intelligence takes over parts of a job while a human worker continues to do other parts what is the job DHL found some answers when it deployed social robotics at its distribution centers Meanwhile the biotechnology company Genentech deconstructed jobs to increase flexibility worker engagement and retention Other organizations achieved agility with internal talent marketplaces worker exchanges freelancers crowdsourcing and partnerships It s time for organizations to reboot their work operating system and Work without Jobs offers an essential guide for doing so

The Art of Client Service Robert Solomon, 2016-03-17 A practical guide for providing exceptional client service Most advertising and marketing people would claim great client service is an elusive ephemeral pursuit not easily characterized by a precise skill set or inventory of responsibilities this book and its author argue otherwise claiming there are definable actionable methods to the role and provide guidance designed to achieve more

effective work Written by one of the industry s most knowledgeable client services executives the book begins with a definition then follows a path from an initial new business win to beginning building losing then regaining trust with clients It is a powerful source of counsel for those new to the business for industry veterans who want to refresh or validate what they know and for anyone in the middle of the journey to get better at what they do Customer Service Beverly Rokes,2002
