How Do I Personal Brand On Instagram For College Students

Gary Clyne

How Do I Personal Brand On Instagram For College Students:

A Filtered Life Nicole Taylor, Mimi Nichter, 2021-12-23 *A Filtered Life* is the first comprehensive ethnographic account to explore how college students create and manage multiple identities on social media Drawing on interviews and digital ethnographic data gleaned from popular social media platforms the authors document and make visible routinized practices that are typically hidden and operating behind the scenes They introduce the concept of digital multiples wherein students strategically present themselves differently across social media platforms This requires both the copious production of content and the calculated development of an instantly recognizable aesthetic or brand Taylor and Nichter examine key contradictions that emerged from student narratives including presenting a self that is both authentic and highly edited appearing upbeat even during emotionally difficult times and exuding body positivity even when frustrated with how you look Students struggled with this series of impossibilities yet they felt compelled to maintain a vibrant online presence With its close up portrayal of the social and embodied experiences of college students *A Filtered Life* is ideal for students and scholars interested in youth studies digital ethnography communication and new forms of media

Media, Women, and the Transformation of Sport Pamela J. Creedon, Laura A. Wackwitz, 2024-12-20 This edited collection provides a singular look at contemporary mediated coverage of women athletes and sports from Title IX to the present day Through personal perspectives contributors provide a valuable overview of common patterns in women's sports media coverage exploring issues of diversity ethnicity and inclusion Chapters examine Title IX discourse NIL brand creation and marketing among female college athletes through platforms such as TikTok Instagram and Twitter X the recent surge in what appears to be empowering gender discourse and contemporary public debates legislative attacks on the participation of trans and nonbinary athletes differential treatment of women's athletic injuries as compared to men's injuries and the role of women working in sports media both on the field and on the sidelines The book includes a review of changes in the media coverage of women in sport offering an overall assessment of the status of women athletes in the half century after Title IX It concludes with an examination of the power of coaching and the imperative to protect athletes from abuses of that power This book will be of interest to students and scholars of media communication journalism and beyond that are examining the topic of women media and sport
