A Wolf at the Schoolhouse Door Jack Schneider, Jennifer C. Berkshire, 2023-03-07 A trenchant analysis of how public education is being destroyed in overt and deceptive ways and how to fight back. In the vigorous, well-informed Kirkus Reviews, *A Wolf at the Schoolhouse Door*, the co-hosts of the popular education podcast *Have You Heard*, expose the potent network of conservative elected officials, advocacy groups, funders, and think tanks that are pushing a radical vision to do away with public education. Cutting through the rhetorical fog surrounding a host of free-market reforms and innovations, Mike Rose, Jack Schneider, and Jennifer Berkshire lay bare the dogma of privatization and reveal how it fits into the current context of right-wing political movements. *A Wolf at the Schoolhouse Door* goes above and beyond the typical explanations, SchoolPolicy.org giving readers an up-close look at the policies, school vouchers, the war on teachers' unions, tax-credit scholarships, virtual schools, and more driving the movement's agenda. Called well-researched, carefully argued, and alarming by *Library Journal*, this smart, essential book has already incited a public reckoning on behalf of the millions of families served by the American educational system and many more who stand to suffer from its unmaking. Just as with good sci-fi, according to *Jacobin*, the authors make a compelling case that, based on our current trajectory, a nightmare future is closer than we think.
