How To Build Your Blog Leandro Lawhorne,2021-03-11 Writing blogs is absolutely becoming a global trend today as there are many teenagers joining this race to draw people s attention And to illustrate there are many famous bloggers who are making money by writing blog posts every day and they just started with their simplest thoughts

You are a beginner and you don't know how to write a blog You are struggling that what content to create and what will attract people You are out of inspiration and need a tool to help you out This book is a good choice for you Here's what's packed in this how to guide Three core ways to INSTANTLY generate content ideas with ease Ditch the content overwhelm and never ever struggle with what to write again 5 types of content that will inch your subscriber towards becoming a buyer and sell your products and services with ease And why you need ALL five The fastest way to determine your BRAND VOICE so that you create content that fits you like a glove No wishy washy ideas No guessing 8 MUST NOT neglect elements that either make or break your blog posts and how to optimize each of them The trap that bloggers and solopreneurs fall into with producing content and how ways to HOOK more eyeballs on your content Imagine for a minute how your blog and business would change if you NEVER run out of blog post ideas You know exactly what to create when and what results in ill drive Buy this book now and go viral

The New Media Book Dan Harries, 2002 What will prove to be the lasting impact of New Media on film and television What kinds of transformations of moving image media are really already under way The term new media has become an effective catch word both as a description of the digital delivery of media via the Internet DVD and digital television and as a reference to the newness such technologies have brought to media more generally And yet the nature of this transformation has been over hyped and too little understood The New Media Book provides an accessible critical intervention into the field of moving image studies and features 20 newly commissioned and thought provoking essays in a format designed to be of wide use to a range of courses in digital media film and television studies The book is divided into five thematic sections Technologies Production Texts Consumption and Contexts and addresses how new media is both embracing and altering the existing media landscape Topics discussed include the ways in which we interact with digital television the changing methods of production distribution and exhibition within the media industry and how the histories of traditional media have influenced the development of new media The New Media Book examines the corresponding influences that traditional media and new media are having upon each other as well as revisiting central continuing issues surrounding the moving image and the contexts in which all the media operate The collected essays present and redefine these crucially important topics providing the most systematic analysis of both change and continuity in the contemporary media landscape yet published in the field of screen studies
