How Do I Virtual Team Building Ideas Ideas For Students:

How to Manage Student Consulting Projects Joseph R. Weintraub, George A. Lee, Arline A. Macormack, 2020-09-25
How to Manage Student Consulting Projects describes the key principles and tools needed by project advisors to manage student consulting projects in an academic setting. The authors highlight different approaches for managing student consulting teams and offer strategies that project advisors can use to improve project performance. The book also provides information for program administrators and deans as well as project managers in non academic settings to help in the development and running of project based learning.

Making Team Projects Work Timothy M. Franz, Lauren A. Vicker, 2024-10-16
This user friendly manual walks instructors step by step through the process of creating, assigning and executing successful group projects at the college level. Informed by a simple input process output model of group behavior, this guide provides structured advice, examples and worksheets to design and facilitate effective team projects. Topics include assigning teams, developing meaningful tasks, fostering leadership, managing conflict, communicating effectively and supporting teams in an online environment. Each chapter features sections and readymade handouts that speak directly to students, making it easy for educators to share content with their student teams and spend valuable classroom time teaching course material rather than team skills. Whether in person or online, Making Team Projects Work will be a valuable companion for any college educator interested in incorporating group projects into their curricula.
