The Art of Social Media Guy Kawasaki, Peg Fitzpatrick, 2014-12-04 By now it's clear that whether you're promoting a business, a product, or yourself, social media is near the top of what determines your success or failure. And there are countless pundits, authors, and consultants eager to advise you. But there's no one quite like Guy Kawasaki, the legendary former chief evangelist for Apple and one of the pioneers of business blogging, tweeting, Facebooking, Tumbling, and much, much more. Now Guy has teamed up with Peg Fitzpatrick, who he says is the best social media person he's ever met, to offer *The Art of Social Media*, the one essential guide you need to get the most bang for your time, effort, and money. With over one hundred practical tips, tricks, and insights, Guy and Peg present a bottom-up strategy to produce a focused, thorough, and compelling presence on the most popular social media platforms. They guide you through steps to build your foundation, amass your digital assets, optimize your profile, attract more followers, and effectively integrate social media and blogging. For beginners overwhelmed by too many choices, as well as seasoned professionals eager to improve their game, *The Art of Social Media* is full of tactics that have been proven to work in the real world. Or, as Guy puts it, great stuff, no fluff. *SharePoint 2013 User's Guide* Anthony Smith, 2013-07-27 Microsoft SharePoint 2013 provides a collection of tools and services you can use to improve user and team productivity, make information sharing more effective, and facilitate business decision-making processes. In order to get the most out of SharePoint 2013, you need to understand how to best use the capabilities to support your information management, collaboration, and business process management needs. The *SharePoint 2013 User's Guide* is designed to provide you with the information you need to effectively use these tools. Whether you are using SharePoint as an intranet or business solution platform, you will learn how to use the resources, such as lists, libraries, and sites, and services, such as search, workflow, and social, that make up these environments. In the fourth edition of this bestselling book, author Tony Smith walks you through the components and capabilities that make up a SharePoint 2013 environment. He provides step-by-step instructions for using and managing these elements, as well as recommendations for how to best leverage them. The author has brought together this information based on his extensive experience working with these tools and with business users who effectively leverage these technologies within their organizations. These real-world experiences were incorporated into the writing of this book to make it easy for you to gain the knowledge you need to make the most of the product. Pick up a copy of the *SharePoint 2013 User's Guide* today. *Effortless Million Side Income - Earn More, Stress Less* SHIKHAR SINGH (THE ZENITH), Do you ever feel tired of working hard but earning less?
