You've been thinking about shifting into the world of freelance editing, but you don't know where to start. In a time when editors are seeking greater flexibility in their work arrangements and schedules, freelancing is an increasingly common career option. But deciding to go it alone means balancing the risks with the rewards. From the publisher of *The Chicago Manual of Style* comes *The Chicago Guide for Freelance Editors*, the definitive guide to running your business and finding greater control and freedom in your work life.
