The Beginner's Guide to Blogging David Grete, 2020-05. It all started about a decade ago when the economy went south and I lost my job. I found myself without purpose surviving on unemployment checks and aimlessly searching for an alternative way to earn a living. Contrarily, losing my job was one of the best things that has ever happened.

to me The part I didn't handle so well was the uncertainty How was I going to support myself What was I going to do with myself Every day I faced the daunting task of finding a new job no easy feat during the great financial crash of 2008 2009 and the biggest economic downturn in my life I'd heard of the possibilities of blogging There were a few bloggers doing what I could only dream of doing Making a living just for doing something they loved I gave it some consideration and contacted some of them Many were kind enough to answer my emails and some gave me some solid advice on getting started with my very own blog Have you noticed how some bloggers make six or seven figure incomes while others struggle to even make 100 What if I could teach you some key skills and habits that could make your blog a true success financially One of the biggest secrets I can share about blogging one that I quickly came to understand from other successful communicators is that you have to be passionate about what you're writing But this book has so much more to offer In this book you'll find easy step by step instructions on how to Setup your very own blog Analyze and select a specific niche that is both profitable and that you are passionate about Promote and market your blog using several proven social media marketing strategies Apply basic content strategy and design elements to your blog posts to make them go viral Apply 25 essential blogging tips that can help you turn passion into profit While you may not get instantly rich from blogging it is something you can easily build upon in your spare time and expand into a full fledged career path In this book you will learn everything you need to know to get a huge advantage in blogging by standing on the shoulders of some of the most successful bloggers ever to put words on a page For less than a cup of coffee this book will literally teach you how to turn your passion into profit become your own boss and eventually leave the day job behind Don't wait click the Add to Cart button now and let's get started [Turn Free Value Into Sales: The Give-First Model That Works](#) Onyeka Godfrey, 2025-08-05 Giving doesn't mean losing if you give the right way This book reveals how to lead with value and still drive strong consistent sales You'll learn how to structure free content freebies and educational experiences in ways that build trust and drive action From strategic reciprocity to natural upsells this guide helps you give generously without draining yourself or conditioning people to expect free forever Serve first Sell better **How Making Money with Blogging** Steven Riley, 2019-05-16 What is a blog Almost every Internet user can answer this question The number of blogs on the World Wide Web is growing every day more and more people are learning that a blog can be not only a hobby but you can blogging for profit How to start a blog Today everyone who has a computer and Internet access can afford to spend a small amount to pay for hosting and domain Of course build a successful blog requires new skills but this will allow you to understand whether you need to do this work or not You can find yourself in the ability to web design become a copywriter or a programmer One way or another blogging opens up tremendous opportunities for you you will have many friends change your style of behavior It's never too late to take advantage of this chance What is in this book This book tells about blogs in simple language and will give you structured information about the process of creating a blog because all the recommendations of the author are based on personal experience a practical guide to plan
