Samantha, a Soap Opera and Vocabulary Book for Students of English As a Second Language Meryl

Becker,2018-03-30 Using a soap opera story line approach Samantha provides an innovative method for increasing the reading and communication skills of adult and young adult students of English as a second language The interesting topics raised will provoke students to verbalize their own ideas and at the same time provide them with excellent practice in reading comprehension vocabulary building an idiom usage Instructors and students will find the combined story and exercises valuable in generating oral discussions and developing a strong interest in reading

English as a Second Language David J. Alonso,2011 English as a Second Language ESL education has gained an increasingly important role in career development in science business and industry on the global stage Language teaching practice often assumes that most of the difficulties that learners face in the study of English are a consequence of the degree to which their native language differs from English One great challenge for adult ESL learners is to reduce or eliminate foreign accent in their English pronunciation This book presents current research in the study of ESL including brain plasticity and phonetic training in ESL using authentic newspaper texts in teaching intermediate vocabulary in ESL learners EFL ESL teaching in China and improving reading skills for ESL learners using SoundSpel
