How to homeschool the kids you have: Advice from the kitchen table Courtney Ostaff, Jenn Naughton, Drew Campbell, 2022-12-09 In How to Homeschool the Kids You Have three veteran home educators lead you through the process of creating a custom educational plan that works for your

family's unique situation and your children's needs. You'll identify your own educational priorities and learn how to translate them into a strong academic program. You'll also learn about what science tells us about how humans, especially young humans, learn and why that information is crucial for the success of your homeschooling plans. Along the way, the authors share their own experiences and those of other homeschoolers to help you avoid pitfalls so you can provide your children with the excellent education that is their birthright.

How to Use Social Media for Rapid Growth: The 80/20 Posting Rule Ikechukwu Kelvin Maduemezia, 2025-08-29 Social media has become the fastest way to grow a brand, attract attention and build loyal communities. Yet most businesses and creators get it wrong. They post too much promotional content, fail to engage authentically, and wonder why their audience doesn't grow. The truth is, rapid growth on social media isn't about posting more; it's about posting smarter. This book introduces the 80/20 Posting Rule, a proven framework that separates successful brands from the ones shouting into the void. By focusing 80% of your content on value, education, and storytelling, and only 20% on direct promotion, you create a feed that attracts followers, earns trust, and drives sales naturally. Inside, you'll learn why audiences tune out when you over-promote and how to fix it. The 80/20 balance that keeps followers engaged and eager for more. Content ideas that spark conversation, connection, and community. How to craft subtle yet powerful promotional posts that convert. A posting strategy you can apply to any platform: Instagram, TikTok, X, LinkedIn, or YouTube. Packed with practical examples and actionable steps, this book is designed for entrepreneurs, small business owners, and creators who want to grow faster without burning out. Master the 80/20 rule and watch your social media transform from a struggle into a growth engine.
