Where Is My Office? Chris Kane, Eugenia Anastassiou, 2023-05-25 An examination of the future of our workspaces and how the pandemic will continue to shape how and where we work In the era of WFH hybrid working and flexible hours going to the office is no longer what it used to be Many businesses and organizations as well as the entire commercial real estate sector are struggling to address their new workplace dilemmas in the aftermath of the COVID 19 pandemic With the rise of diverse working practices and new technological innovations the traditional office space no longer serves the needs of the workforce And with increasing numbers of staff now comfortable with a degree of working from home how can companies assess their longer term workspace needs This new follow up edition of *Where Is My Office* fully revised and updated to reflect the true impact of the pandemic on the workplace highlights some of the bold new frameworks and practical considerations for business leaders workplace practitioners and those involved in commercial real estate as they navigate the complex post pandemic working landscape Authors Chris Kane and Eugenia Anastassiou draw upon their extensive knowledge and experience to investigate the new found significance of innovative corporate real estate thinking in modern workplaces *Where is My Office The Post Pandemic Edition* is a must read for any business leader or senior manager looking to revitalize their workplace in a post pandemic environment and to develop a greater understanding of the beneficial impacts that creative workplace strategies that harness the relationship between people place technology and the environment can have upon their organization's success

The Instructor and His Job Homer C. Rose, 1961 International Perspectives and Strategies for Managing an Aging Workforce Ince, Fatma, 2022-03-11 Older employees are often seen as an obstacle and not as an opportunity for companies especially regarding the transfer of knowledge and experience Effective development and utilization of older professional and managerial employees is an important issue as most organizations are not prepared to tailor their training methods to the needs and preferences of these employees due to negative stereotypes Managing a rapidly aging workforce and sustaining economic dynamism calls for systematic research to prevent age discrimination due to an incomplete knowledge of older workers and politically challenging policy choices that require strong political commitments robust management leadership and social consensus *International Perspectives and Strategies for Managing an Aging Workforce*

examines the differences in stereotypes of older employees compared to younger employees in companies analyzes the impact of the aging workforce on retention productivity and well being and investigates organizational systems processes and practices for managing older workers Covering a range of topics such as retention and retirement this reference work is ideal for researchers academicians practitioners business owners managers human resource workers instructors and students
