Sudnick,2023-11-28 Social media influencer marketing emerged in Web 2 0 as a new form of celebrity endorsement in which the Internet famous create word of mouth marketing for brands and organizations on their personal social media pages blurring the line between organic and sponsored content for their followers This book explores social media influencer marketing through the lens of philosophy of communication with a praxis centered approach Kati E Sudnick utilizes a multitude of theoretical touchstones including Christopher Lasch s narcissistic culture Marshall McLuhan s global village Daniel Boorstin s human pseudo event Jacques Ellul s propaganda and the interplay between charismatic leadership and parasocial relationships in order to consider consequences surrounding Hannah Arendt s social condition which appears in hyper form within social media influencer marketing as a major integrated marketing communication tool Sudnick applies these concepts to three major case studies surrounding Audible BetterHelp and Fyre Festival drawing implications and conclusions for this integrated marketing communication tactic in an era entrenched within the banality of the social Ultimately the author argues for a more aware and conscientious public when it comes to engaging with influencers online Scholars of communication philosophy and media studies will find this book of particular interest

Investments in Pop-up Stores Alessia Breda,Michael Trübestein,Matthias Daniel Aepli,2023-11-22 This book focuses on two key challenges the negative impact on property value and higher vacancy risk for pop up shops It suggests alternative rental models based on footfall and customer conversion rates and provides a strategic framework for real estate investors to develop and manage

pop up stores The empirical study emphasizes the importance of data availability market fundamentals and the potential of the operator model for managing pop up retail spaces The retail real estate market in Switzerland comprises about 13 0% of total commercial areas The growth of e commerce accelerated by the COVID 19 pandemic is causing significant changes in brick and mortar retail Real estate owners are facing higher vacancy rates shorter rental terms and lower rental prices However e commerce has limitations that prevent it from fully replacing physical stores Retailers are now seeking flexible and innovative spaces like pop up stores In Switzerland pop up stores are mostly used as marketing tools or to fill vacancies rather than as a sustainable business model due to their negative impact on property market value This textbook has been recommended and developed for university courses in Germany Austria and Switzerland
