The Everything Guide to Remote Work Jill Duffy, 2022-02-08 Discover the secret to being productive and successful no matter where you are with this essential guide to remote work. During COVID-19, working from home became the new normal. Now both employers and employees find that the remote work they were forced to adjust to may be well better financially, sustainably, and even in terms of overall morale and productivity. But working from home is not without its challenges. It can be difficult to eliminate distractions, strike a solid work-life balance, and maintain social connections that are crucial in the workplace. Whether you're trying to find and land a job from the comfort of your home, learning to manage a virtual team, or dream of living a digital nomad lifestyle, *The Everything Guide to Remote Work* has everything you need to be successful. You'll learn to optimize your own workplace culture, whether it's in your home office or a constantly changing backdrop. So whether your company continues to work remotely full-time or you only have to go to the office a few days a week, you'll be armed with all the tools you'll need to make the most out of this new lifestyle.

Next-Level Digital Nomad Maria Surma Manka, 2018-06-23 The stereotype of a digital nomad is someone young, unmarried, no kids, and no mortgage. It's time to rethink that and take digital nomading to the next level. Maria Surma Manka wanted to live and work abroad as a digital nomad temporarily without uprooting her entire life. No selling the house, no homeschooling the kids. She and her spouse had to keep their day jobs. But she couldn't find any good resources to help guide a typical family on this adventure. So she did it herself, and the result was a workation, a blend of work and vacation that allowed her family to become temporary digital nomads. So far, they've workationed in Spain, New Zealand, and the UK. *Next Level Digital Nomad* is the resource Maria wishes she'd had. A practical and tactical how-to guide that kick-starts your adventure and saves you dozens of hours of planning. Guidance for thinking through the trickiest questions like asking your employer to work remotely, preparing for the kids' absence from school, and where to find a place to work while traveling. Loads of resources and ideas for creating your own workation. Step-by-step worksheets for efficient planning. *Next Level Digital Nomad* will give you the real-world tools to live like a digital nomad. Even with real-world responsibilities.
