Imran Hosein:

Contemporary Qur'ānic Hermeneutics Georges Tamer, 2025-04-21 This project presents the hermeneutical approaches to the Qur'n of the most prominent Qur'nic scholars in Islamic intellectual history Not only scholars who wrote commentaries on the Qur'n in the narrow sense of the word taf's'r are to be presented but also those who dealt hermeneutically with the Qur'n in various ways The Handbook of Qur'nic Hermeneutics is the first book that discusses all the hermeneutical fields of the Qur'n It will be published in seven volumes

Constantinople In The Qur'an Imran Hosein, 2020 In consequence of a mysterious decision taken by Mustafa Kamal's secular Republic of Turkey to not only change the city's name but to also take steps that eventually ensured that the name Constantinople would no longer be used this writer had to retrieve the name Constantinople from the museums of history in order for this book to be written Why did the secular Turkish leader change the name of the city Why did the name Constantinople have to suffer that mysterious fate This book brings clarity to that subject This writer is convinced that the mysterious disappearance of the name Constantinople from the modern day vocabulary and discourse is directly linked to the status and role of the city in both Islamic and Christian eschatology

Jerusalem in the Qur'an Imran N. Hosein, 2016-07 Jerusalem in the Qur'an is a great book that thrilled and delighted me in a number of ways I am surprised that such a meticulously documented book had to wait for such a long time before seeing the light It is now more than half a century since the Zionists began their appalling oppression and ethnic cleansing of the Palestinian people whose only offense is that they happened to live in a country considered by the Jews to be their promised Holy Land The Zionists have continuously referred to distorted scriptures from the Torah and other Biblical material to justify their atrocious behavior and to motivate the Jews to establish a State of Israel that extends from the Nile to the Euphrates with Jerusalem as its capital For example David Ben Gurion the first Prime Minister of Israel is quoted to have said The Bible is our deed to the land of Israel Muslim scholars on the other hand have largely failed in refuting Zionist claims from authenticated historical and religious sources and have also failed to accomplish their religious responsibility in clearly documenting this question from the Holy Qur'an and the Blessed Ahadith of our beloved Prophet peace and blessings be upon him As far as I know whatever is written on this subject is rather superficial and emotionally tainted or simply stating facts in a cool manner May Allah Ta'ala reward Brother Imran Hosein for writing this scholarly document which will indeed fill up this intellectual and religious gap and serve as an academic reference to Muslims in all parts of the world As I write this introduction this book that was published only this year is already being translated to Arabic and Bosnian In a short time it will be rendered into other European languages and to all the other

tongues of the Islamic world It must be reported however that the importance of writing a book about the Holy Land in the Qur'an have not escaped the vision of far sighted and creative Muslim thinkers such as Dr Kalim Siddiqui Founder President of the Muslim Institute for Research and Planning and Professor Shaheed Ismail Al Farouqi I am surprised at the vision of the former scholar who asked Imran Hosein to write this book as early as 1974 He urged him saying that Jerusalem is the key to understanding the historical process of the Middle East and the world at large Shaikh Imran successfully accomplished this task after 27 years Though seemingly late but it has come at the right time in which the whole world is being shocked by Jenin and what happened in Sabra and Shatila I am amazed by Imran's style of writing Though Jerusalem in the Qur'an is a meticulously written thesis combining religious and historical documents with recent political events and penetrating interpretations from the Qur'an and Hadith it runs like a story Once you begin reading it it is hard to stop This is the general quality of a novel The person would read it once and throw the book away but not that of a serious thought provoking dissertation like the book that Brother Shaikh Imran published It is a reference that one needs to keep and reread whenever the subject is to be researched I believe that this eloquence of the Shaikh must be the result of a natural gift that has interacted with his indefatigable work as a preacher and da'iyah and the Divine Blessings for his sincerity Finally in spite of the seemingly depressing situation of the Muslims in general and the Palestinians in particular reading the book would certainly give one a warm surge of optimism about our future a bright light that shines at the end of our long dark tunnel of history We are living at the end of time This is the age in which the prophesies of the Holy Qur'an and the Blessed Hadith are unfolding right before our very eyes to prove to humanity the truthfulness of our faith *The Minaret* ,1987

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
