In A Lonely Place Dorothy B Hughes:

In a Lonely Place Dorothy B. Hughes, 2017-08-15 A classic California noir with a feminist twist this prescient 1947 novel exposed misogyny in post World War II American society making it far ahead of its time Los Angeles in the late 1940s is a city of promise and prosperity but not for former fighter pilot Dix Steele To his mind nothing has come close to matching that feeling of power and exhilaration and freedom that came with loneliness in the sky He prowls the foggy city night bus stops and stretches of darkened beaches and movie houses just emptying out seeking solitary young women His funds are running out and his frustrations are growing Where is the good life he was promised Why does he always get a raw deal Then he hooks up with his old Air Corps buddy Brub now working for the LAPD who just happens to be on the trail of the strangler who's been terrorizing the women of the city for months Written with controlled elegance Dorothy B Hughes's tense novel is at once an early indictment of a truly toxic masculinity and a twisty page turner with a surprisingly feminist resolution A classic of golden age noir In a Lonely Place also inspired Nicholas Ray's 1950 film of the same name starring Humphrey Bogart

The Expendable Man Dorothy B. Hughes, 2012-07-03 It was surprising what old experiences remembered could do to a presumably educated civilized man And Hugh Denimore a young doctor driving his mother's Cadillac from Los Angeles to Phoenix is eminently educated and civilized He is privileged would seem to have the world at his feet even Then why does the sight of a few redneck teenagers disconcert him Why is he reluctant to pick up a disheveled girl hitchhiking along the desert highway And why is he the first person the police suspect when she is found dead in Arizona a few days later Dorothy B Hughes ranks with Raymond Chandler and Patricia Highsmith as a master of mid century noir In books like In a Lonely Place and Ride the Pink Horse she exposed a seething discontent underneath the veneer of twentieth century prosperity With The Expendable Man first published in 1963 Hughes upends the conventions of the wrong man narrative to deliver a story that engages readers even as it implicates them in the greatest of all American crimes Mystery Classics on Film

Ron Miller, 2017-02-20 Watching the screen version of a classic mystery novel can be disappointing By necessity or artistic license or possibly just ego changes are often made by the filmmakers many of them ineffective or even detrimental This book focuses on the screen adaptations of 65 famous mysteries and examines how the filmmakers either succeeded or failed in the telling of the story Interviews with several famous mystery writers are included with their comments on how filmmakers treated their work

In a Lonely Place Dorothy Belle Hughes, 2003 One of the best portraits of American postwar machismo gone mad Books to Die For John Connolly, Declan Burke, 2016-10-25 An anthology featuring the world's greatest mystery authors writing about the world's greatest mystery novels **100 American Crime Writers** S.

Powell, 2012-08-07 100 American Crime Writers features discussion and analysis of the lives of crime writers and their key works examining the developments in American crime writing from the Golden Age to hardboiled detective fiction This study is essential to scholars and an ideal introduction to crime fiction for anyone who enjoys this fascinating genre *Dark Page*

Two Kevin Johnson, 2009 Following up on his well received bibliography of first edition sources for American film noir of the 1940s Kevin Johnson's new bibliography *The Dark Page II* explores the second half of the classic American period covering the years 1950-1965. Ground rules for noir style were by this time firmly established in Hollywood and new techniques and themes had emerged including location shooting and documentary style storytelling the incorporation of social issues into storylines the final years of the Production Code's stranglehold on film content and the influence of the style on Westerns melodramas and even science fiction. Importantly too this era would see many of Hollywood's finest writers and directors blacklisted jailed or exiled as a result of McCarthy and the House Un American Activities hearings. The literary sources that informed this era evolved as well with Hollywood taking a greater interest in the surprisingly literate novels that were being published as paid by the word paperback originals as well as hardcover titles being released by obscure and often short lived publishers. The influence of the film industry on the book industry was felt in turn with stories being snatched up as film options as soon as they first appeared in magazines and newspapers sometimes resulting in a book publication that would never have occurred otherwise. *The Dark Page II* is an essential volume in a continuing series of references that are projected to cover American screwball comedies European film noir and American crime films and dramas of the late 1960s and 1970s. Full color photos of each first edition are featured as well as bibliographical points for each book and a bounty of factual information surrounding both the origins of the books and their subsequent film adaptations. *Lonely Places, Dangerous Ground* Steven Rybin, Will Scheibel, 2014 Examines the director's place in the history of Hollywood and the institution of cinema.
