Teaching IFRS Richard M.S. Wilson, Ralph Adler, 2013-09-13 The increasing pace of global conformance towards the adoption of International Financial Reporting Standards IFRS highlights the need for accounting students as well as accounting practitioners to be conversant with IFRS Teaching IFRS offers expert descriptions of and insights into the IFRS convergence process from a teaching and learning perspective Hence this book is

both timely and likely to have considerable impact in providing guidance for those who teach financial reporting around the world. The contents of the book come from authoritative sources and offer something distinctive to complement the existing textbooks which typically focus on the technical aspects of IFRS and their adoption. Drawing upon the experiences of those who have sought to introduce IFRS related classroom innovations and the associated student outcomes achieved therefrom, the book offers suggestions about how to design and deliver courses dealing with IFRS and catalogues extensive listings of IFRS related teaching resources to support those courses. This book was originally published as a special issue of Accounting Education, an international journal.

Intermediate Accounting -- Global Edition Elizabeth Gordon, Jana Raedy, Alexander Sannella, 2025-09-26. Intermediate Accounting will help you develop the judgment and decision making skills needed to evaluate company financials and pass the CPA exam. Instead of memorizing rules, you'll build a deep conceptual understanding of financial reporting and the ability to interpret and apply changing standards. Real financial statements from well-known companies will give you rich insight into real applications of accounting concepts. The 4th Edition incorporates the latest accounting standards and regulations with side-by-side comparisons of GAAP and IFRS standards. By reprioritizing topical coverage, the authors respond to changes in the business world and in accounting literature while addressing subjects not typically found in comparable texts.
