you need to have a personal brand apart from that of your company. If you haven't already got one, you need to start cultivating it into something of your choosing before it becomes defined by those around you. Learn what your personal brand is, why it's critical to your success as an entrepreneur, and what you need to do to grow, maintain, and nurture it.

Donna Rachelson, a specialist in branding and marketing and the author of three books, distills and shares her insights from years of experience in helping entrepreneurs grow and scale their businesses through the building of their authentic personal brands. Jam-packed with easily digestible nuggets of information and easy-to-apply actions, and with contributions from seven other entrepreneurs from different industries and at different stages of their personal branding journeys, *Personal Branding for Entrepreneurs* is a must-have in any entrepreneur's personal development toolkit.

Become Someone From No One

Bhavik Sarkhedi, Sahil Gandhi, 2025-10-29

Become Someone From No One is your blueprint to building a powerful personal brand from the ground up. It unpacks the real-world strategies that transform ordinary individuals into memorable names. Through stories, insights, and actionable steps, it reveals how to stand out in a noisy digital world. From self-discovery to storytelling, it guides you in crafting an authentic, influential identity. You'll learn to leverage social media content and consistency to earn credibility and trust. The book breaks complex branding ideas into simple, repeatable habits anyone can master. Whether you're a student, creator, or entrepreneur, this is your roadmap to becoming someone. In a world overflowing with talent, this book shows you how to make your name stand for something unique and unforgettable. It blends psychology, strategy, and storytelling into a practical system for building your personal brand with purpose.

Co-authored by Bhavik Sarkhedi, a celebrated entrepreneur, bestselling author, and one of India's leading personal branding voices, the book draws from real-life lessons and years of experience. Bhavik, who has penned multiple acclaimed titles and founded successful creative ventures, brings an insider's perspective on how individuals evolve into influential brands. Joining him is Sahil Gandhi, widely known as the Brand Professor, a visionary in the field of identity creation and human branding. Sahil's expertise lies in simplifying branding into human behavior, turning complex concepts into relatable, result-driven actions. Together, they demystify how personal branding is no longer a luxury; it's a necessity in the modern digital era. The book walks you through how to define who you are, refine how you show up, and design how the world perceives you. From crafting your story to building an authentic digital presence, every chapter provides clarity, direction, and measurable steps. It challenges readers to think differently about influence, reputation, and impact. With real-world examples, exercises, and success frameworks, it helps you move from self-doubt to self-definition. The writing is conversational, the advice is grounded, and the transformation it promises is tangible. It's not just about followers; it's about finding your voice and making it matter. Readers will learn how to build trust, create meaningful connections, and position themselves as thought leaders in their domain. This is not theory; it's a tested path that has shaped entrepreneurs, creators, and professionals into brands people remember. Bhavik and Sahil combine art, strategy, and empathy to turn branding into a human journey, not a marketing one. Whether you're starting
