Affordable Home Office Setup Tips For College Students:

Keeping College Affordable Michael S. McPherson, Morton Owen Schapiro, 1991 This book assesses the role of government subsidies for higher education especially but not exclusively federal student aid in keeping college affordable for Americans of all economic and social backgrounds The authors examine the effects of student aid policies of the last twenty years

The White Bonus Tracie McMillan, 2024-04-23 A genre breaking work of journalism and memoir that tallies the cash benefit and cost of racism in America This unflinching book from award winning investigative reporter Tracie McMillan examines what white privilege delivers in dollars and cents not only to white people of wealth but also to white people from the poor to the middle class McMillan begins with her own downwardly mobile middle class family and takes us through a personal history marked with abuse illness and poverty while training her journalistic eye on the benefits she saw from being white McMillan then alternates her story with profiles of four other white subjects millennials to baby boomers from across the United States For readers of Stephanie Land's *Maid* Heather McGhee's *The Sum of Us* and Clint Smith's *How the Word Is Passed* McMillan brings groundbreaking insight into how and to what degree white racial privilege builds material advantage across class time and place Rather than analyzing racism as a thing that gives less to people of color McMillan studies how it gives more to people who are white including with uncommon honesty herself and how it takes so much from so many The unforgettable follow up question thrums steadily through this book Do white Americans believe that racism is worth what it costs all of us
