**Wrong Fit, Right Fit** Andre Martin,2023-09-12 We are in the midst of a crisis of commitment in the workplace organizations are searching for engaged employees talent and employees are looking for a place to thrive Both are struggling If we fit we hum we connect we create momentum and produce high value work with grace and ease But the wrong fit has serious consequences including frustration disengagement and disruption which undermines every aspect of daily work and the production of value Finding the right fit is hard Painfully hard The good news is there is a way forward Through his decades of experience and exhaustive research including intensive interviews with knowledge workers and leaders Dr Martin guides talent and organizations to find the right fit Through easy exercises clear insights and personal stories this book helps readers discover their perfect fit in the workplace And for employers Dr Martin utilizes policies communications training onboarding role descriptions and feedback to help them build a new path to worker engagement Wrong Fit Right Fit is for both talent and employers who are looking for strong compatibility for mutual success Now is the time to boost engagement inspiration well being and meaning in the work we do Now is the time to find a greater return in value for ourselves and our organizations Now is the time to find the right fit

**The Art of Compassionate Business** Bruno R. Cignacco,2023-12-01 There are several well ingrained assumptions regarding the dynamics of work and business activities which can be refuted Some examples of these widespread assumptions in business and work environments are employees being viewed as commodities competitors perceived as threats companies resources seen as limited and customers perceived as scarce and difficult All this leads to the question Is there a way to perform business activities more humanely The second edition of this book challenges the reader to change the way they perform in business situations and become more focused on the human aspects of business activities The users of this knowledge and those affected by them will undergo a profound transformation in the way they perform business activities They will benefit from gradually testing and implementing the guidelines conveyed in this book both in the business environment and in the workplace When readers put these principles into practice positive ripple effects are bound to affect other stakeholders of the organisation they work for or own The author has refreshed all the concepts and examples introduced in the first edition which include aspects related to mission and vision passion business mindset organisational learning improvement of business conversations use of constructive criticism and betterment of relationships with the most relevant stakeholders customers suppliers intermediaries community employees etc The author also includes a discussion of creativity and the innovation process as

well as other relevant aspects related to a healthy business environment and provides various real life examples of companies which have adopted a loving attitude towards their stakeholders which has become so important in the current business environment
