Farm Implement News, 1914 **The American News Trade Journal**, 1924 **Pure Heart** Troylyn Ball, Bret Witter, 2017-02-07 There is nothing stronger than a mother's love except a good glass of moonshine The mountains of North Carolina are rich lush with the greens and blues of the seven mile views and bursting with a culture where the ways of Old Appalachia meet the new South This is the heart of moonshine country where they practice an art passed down from generation to generation crafted not only out of pride and ingenuity but also out of a daring to push the boundaries of the law to create a product that has come in many ways to symbolize America Troy Ball is a classic Southern belle with an easy charm impeccable manners a wide smile and golden blond hair But beneath that crisp white blouse and strand of pearls is a streak of tenacity a mile wide In the early 2000s Troy and her husband Charlie left their native Texas for the up and coming town of Asheville North Carolina because the climate was better for the health of their two severely ill special needs sons Troy found there something the dedicated mom never expected time for herself And then along came Forrest Jarrett an Appalachian raconteur with a pickup truck a thousand stories to tell and a sip or two of white squeezings aka moonshine to share with the newcomer What

followed was a surprising friendship and a five year journey into the heart of distilling old fashioned corn whiskey Stretching back to Colonial times and forward to today and the Byzantine laws Troy had to navigate to become the first female legal moonshiner in the history of the South this a true moonshine making odyssey that will touch your soul When the real estate crash wiped out her family financially and threatened the safety of her children Troy realized that moonshine was more than a hobby her world class whiskey and newfound friends could save her family too Pure Heart is a story of dedication inspiration and days spent in a run down shack in the company of some of the finest and funniest good old boys you d ever want to meet It is the story of how a strong woman used grit and determination to launch a thriving business and what a mother will do to help her children It is also about sharing a drink with friends and all that is great about the South
