The Fundamentals of Management and Their Possible Changes Due to the Impact of the COVID-19 Pandemic Juraj MIŠÚN, Martin NOVYSEDLÁK, Ivana MIŠÚNOVÁ HUDÁKOVÁ, 2023-09-14

Flexible Lives Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white

collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue *Theories of Human Development* Barbara M.

Newman, Philip R. Newman, 2022-07-29 This bestselling textbook provides an engaging introduction to 11 major theories about human development that continue to guide research intervention and practice The theories are grouped into three families those that emphasize biological systems those that focus on environmental factors and those that reflect the interaction between the two This organization encourages readers to evaluate compare and contrast key theoretical ideas both within and across families Pedagogical features foster critical thinking and an active approach to learning Each family of theories is introduced with a brief overview of their unique perspectives and the rationale for grouping them together Discussion of each theory includes the cultural historical context within which the theory developed key concepts and ideas extensions of the theory in new directions a research example an illustration of how the theory is applied in contemporary practice and an analysis of how the theory answers six basic questions that a theory of human development should address Each chapter begins with a case example and related application There is expanded visual material throughout to enhance and extend key concepts The third edition also features a new chapter Social Justice Theory which addresses definitions of social justice the development of social justice reasoning emotional foundations and behaviors related to activism with particular focus on societal conditions of privilege and disadvantage that create social inequities and impact developmental outcomes consideration of social justice themes as they emerge across theories an increased focus on how theories account for and characterize individual differences and the value of diversity for human adaptation a new emphasis on gender and sexual identities across theories greater attention to the role of culture as it is featured within each theory as a component of the macro environment and as it is internalized through socialization processes a revised epilogue focusing on implications for family dynamics and links from theory to practice By focusing on theories that have had a major impact on development science this book is ideal for advanced undergraduate and graduate courses in theories of development lifespan or child development taught in the fields of psychology human development family studies education and social work **Self-Made**

Boss: Advice, Hacks, and Lessons from Small Business Owners Jackie Reses, Lauren Weinberg, 2022-03-29 Part starter kit part encyclopedia and part inspiration Self Made Boss is an essential survival guide for small businesses When it comes to getting practical advice small business owners too often don't know where to look Sure you can find all sorts of high level strategic tips from Fortune 500 CEOs But what if you own a restaurant and you're trying to figure out how to source good fish or if you're looking to increase revenue from your plumbing supply store You'll be running a lot of Google searches

before you hear from someone who's actually stood in your shoes Longtime Square executives Jackie Reses and Lauren Weinberg want to change this So they reached out across the country talking to dozens of entrepreneurs with valuable businesses and invaluable advice This book is the product of that research Part starter kit part encyclopedia part inspiration Self Made Boss is filled with information not just about who these small business owners are but how they built their companies step by step How did they get their start When did they decide to hire more staff How did they set a course for growth And when problems arose how did they fight through them You'll hear from a second generation ice cream shop owner on how to manage price increases an oyster farmer finding new ways to stay afloat in the middle of a global pandemic a roofer who refused to be denied or defined by her race and gender and dozens of other small business owners making a big difference in their communities No matter the size of your business today or where you're thinking about taking the jump tomorrow you'll find answers you can apply right away Because there's a common purpose that all small business owners share the drive to build something from the ground up the relentless pursuit of turning obstacles into opportunities and roadblocks into stepping stones It's tough and messy hard fought and hard won And above all it's something you can't have when you work anywhere else or for anyone else That's what it means to be a Self Made Boss *Congressional Record* United States Congress, 1983 **JOURNAL OF BUSINESS VENTURING**, 1998 **Full-text Tax Documents**, 1986
