# Complete Hybrid Work Schedule Tips For Dads In America

**Carl Mazza, Armon R. Perry**

## **Complete Hybrid Work Schedule Tips For Dads In America:**

**FATHERHOOD IN AMERICA** Carl Mazza, Armon R. Perry, 2017-01-27 Fathers are critical to their children's growth and development. Research on the involvement of men with their children stresses the important role that fathers play from infancy to adolescence. Due to the ethnically diverse population of fathers in America, culture and context frames the nature of fathering and shapes expectations within a cultural milieu. The book offers a wide range of vantage points: social work, family studies, marriage and family therapy, counseling, sociology, psychology, gender studies, anthropology, cultural and ethnic studies, urban studies, and health. There are five primary parts within this book, each of which looks at numerous facets of fatherhood in the twenty-first century. Part I defines the concept of fatherhood and family composition, becoming a father, young fathers, single fathers, fathers and daughters, and examines the father-son relationship. Part II looks at nonresident fathers, homeless fathers, incarcerated fathers, and the never-married fathers. Part III reviews biological fathers, stepfathers, male foster carers, fatherhood and adoption, and gay fathers. Part IV examines the cultural dimensions of fatherhood, including Latino, African American, and Native American. Part V explores the fatherhood service delivery system by engaging fathers in culturally competent services, measuring the father's involvement, and the initiatives to support fathering. The context, practice, and gaps in responsible fatherhood programs are discussed. This informative and sensitive book will be useful for researchers, students, and professionals in the field of social work, health, family counseling, and human services. Applicable in classrooms and treatment situations. *Fatherhood in America* bridges the gap between research and practice through chapters authored by some of the country's foremost fatherhood scholars and clinicians, by offering fresh perspectives and keen insights borne out of field experience working with fathers.

*Restoring America's Foundation: Empowering Fathers for Strong Families* Philip M. Herrick, 2023-11-13 In *Restoring America's Foundation: Empowering Fathers for Strong Families*, author Philip M. Herrick delves into the critical role fathers play in shaping the foundation of American society and the challenges faced by contemporary families. This powerful book emphasizes the importance of dedicated and nurturing fathers who, together with strong and loving mothers, form the backbone of a thriving nation. As the very structure of the American family comes under attack, Herrick advocates for a collaborative approach between moms and dads, recognizing the precious contributions each parent brings to their children's lives. Drawing from his experience as a father of four sons, he shares his firm belief in developing good values within the home that will translate to a stronger America. This thought-provoking work calls for a reassessment of parenthood and its impact on our society. To rescue the American family, we need to begin where it all starts: at home. Join Philip M. Herrick in understanding this urgent crisis and rekindling the spirit of unity between parents for a brighter future.
