Millennial Feminism at Work Jane Juffer, 2021-11-15 In *Millennial Feminism at Work* volume editor Jane Juffer brings together recently graduated students from across the US to reflect on the relevance of their feminist studies programs in their chosen career paths. The result is a dynamic collection of voices shaking up preconceived ideas and showing the positive influence of gender and sexuality studies on individuals at work. Encompassing five areas: corporate, education, nonprofit, medical, and media careers, these engaging essays use personal experiences to analyze the pressure on young adults to define themselves through creative work even when that job may not sustain them financially. Obstacles to feminist work conditions notwithstanding, they urge readers to never downplay their feminist credentials and prove that gender and sexuality studies degrees can serve graduates well in the current marketplace and prepare them for life outside of their alma mater. Emphasizing the importance of individual stories situated within political and economic structures, *Millennial Feminism at Work* provides spirited collective advice and a unique window into the lives and careers of young feminists sharing the lessons they have learned. Contributors: Rose Al Abosy, Rachel Cromidas, Lauren Danzig, Sadaf Ferdowsi, Reina Gattuso, Jael Goldfine, Sassafra Lowrey, Alissa Medina, Samuel Naimi, Stephanie Newman, Justine Parkin, Lily Pierce, Kate Poor, Laura Ramos, Jaimes Savannah Taylor, Addie Tsai, Hayley Zablotsky. *The Keys to Being a Great Leader* Christopher

Shea, 2021-07-26 What makes a great leader? What are the traits of leadership? How can you become a leader? These are some of the questions that are answered in this book. The author, Chris Shea, has multi-decade experience as a leader serving in non-profit and government agencies in administrator and C-level executive positions. In this book, he shares the traits that a leader should have and how they come to possess those traits. In essence, a leader is good at seeing the potential in people and pulling out the best in them. There's not one cookie-cutter idea of leadership, and people with different personalities can be exceptional leaders. This book is not just for business leaders but also for those who are or want to be leaders in their community or religious congregation.
