,2002 Content Reading and Literacy Donna E. Alvermann, Stephen F. Phelps, 2005 The Fourth Edition Builds on Past
Strengths and Adds New Ones Student Centered Culturally Diverse Students Evidence Based Standards Written by
renowned authors Donna Alvermann and Steven Phelps the Fourth Edition includes more emphasis and information on
addressing the literacy needs of English language learners and culturally diverse students a new focus on evidence based
practices and standards and key information on newer frameworks for reading and writing instruction such as the
sociocultural New Literacies Framework that equips students to teach content area literacy from a student centered
approach What Continues to Make This Book a Best Seller Increased discussion of English language learners New evidence
based research icons highlighting current research New standards icons from various subject areas help pre service teachers
make the connection on how content area literacy instruction helps them meet the standards in their disciplines New writing
icons throughout the chapters point to writing examples Thoroughly revised Chapter 7 Reading to Learn New information for
all of the content areas in every chapter is represented in the examples lessons vignettes and scenarios making it easier for
students enrolled from different discipline areas to locate content specific relevant examples Ringing Endorsements for
Content Area Reading and Literacy Fourth Edition Chapter 14 Teaching for Diversity This is an excellent chapter that
certification students and other graduate students can use to understand more about the types of diversity categories that are
present in instructional settings This textbook is excellent for students Lavernia F Hutchison University of Houston Central
Campus There are many strengths in this text I particularly like the way it is laid out I believe that helping the students to
see the importance of content literacy from the very beginning is extremely important Immediately following this topic the
students then move directly into diversity which includes the understanding the meaning of language and culture Both of
these topics form the basis for the rest of the course Overall I believe that this book is an excellent text for teaching in the
Content Area Randy M Wood Baylor University The strengths of this text include the authors in depth knowledge of the field
of content area reading Their chapter on assessing textbooks is invaluable for secondary teachers who don t understand the

difficulty of some textbooks and the problems these texts can cause students The chapter on multiculturalism and the ESL learner is a strength The chapter on vocabulary is outstanding Patricia J Pollifrone Gannon University Please visit the book specific website at <http://www.ablongman.com/alvermann4e> to learn more *Motion, Forces, and Energy* Michael J.
