I have been where you are today. I worked in unsatisfying jobs for employers that didn't care and wouldn't reward good and competent service. I remained in positions for years sending out thousands of resumes hoping that someone would recognize my value. What pulled me through was lots of study, specialized training and practice. More importantly I believed in myself and the value I could provide to employers and customers for my products and services. At first I was happy to find a new client, now and then to make some extra money. Later I discovered how to promote myself effectively and those customers started coming to me.
