**Social Media Marketing for Introverts** Holly Valero, 2019-02-21 Social media marketing is not traditional marketing. It's the new version of customer service. And if you're an introvert, chances are you're better at social media marketing than you thought. Social media was created by the most introverted members of our society: computer nerds, to avoid socializing in person. While introverts may be slow to adopt social media, once they do, they love the natural distance that socializing online provides. Best of all, you can do it absolutely alone. Just you, your cat, and a laptop. If you're an introvert who has avoided social media marketing, this guide is for you. It covers everything from getting to know the various platforms to reviewing your current marketing, brainstorming, and
