the magic of turning ideas into thriving ventures **Media/Society** David Croteau, William Hoynes, Stefania Milan, 2011-05-24 In a society saturated by mass media from newspapers and magazines television and radio to digital video projects and the Internet iPods and TiVo most students possess a great deal of media knowledge and experience before they ever enter the classroom What they often lack however is a broader framework for understanding the relationship between media and society Media Society Industries Images and Audiences provides that context and helps students develop skills for critically evaluating both conventional wisdom and one's own assumptions about the social role of the media Previous editions of Media Society introduced thousands of students to a sociologically informed analysis of the media process The Fourth Edition builds on this success with new material on students as producers e.g. YouTube revised Internet resources the latest data on the media industry new examples from the independent media sector and updated discussions of media policy online media and independent media Media Society is unique among media texts in that it offers e A sociological approach that examines overarching relationships between the various components of the media process the industry its products audiences technology and the broader social world e An integrated study of mass media that looks at media technologies collective influences and connections between mass media issues that are often treated as separate e An examination of how economic and political constraints affect the media and how audiences actively construct their own interpretations of media messages **Prom** Jill S. Zimmerman Rutledge, 2017-01-01 Prom is about more than corsages and boutonnieres promposals and after parties It's an event that teens are claiming as a way not only to have fun with friends but to also express their creativity and their identities Learn about the first gay and lesbian teen couples to insist on the legal right to bring their dates to prom Discover how modern prom fashions are pushing the boundaries of what guys and girls can wear to the big night out You'll also get tips from high school graduates about dealing with prom pressures and how to protect your physical and emotional health while you celebrate **The Curl Revolution** Michelle Breyer, 2017-10-03 In The Curl Revolution Inspiring Stories and Practical Advice from the NaturallyCurly Community Michelle Breyer has curated some of the best information that NaturallyCurly's experts and community members have collected over the past two decades Rather than focusing on one method product or ethnicity The Curl Revolution tells story of the entire curly hair industry and features many of the leading curl innovators It also functions as a how to guide and Breyer takes readers through every step of the curl experience They will learn to Identify their hair's texture type Build an ideal hair care regimen that suits their unique waves curls and coils Learn about the important role of ingredients Find the right haircuts and styles Be inspired by the voices from the curl community The Curl Revolution includes everything that a curlie needs to unlock the potential of their gorgeous natural hair and face the world frizz free **Medical Education, Politics and Social Justice** Alan Bleakley, 2020-12-30 This book critically analyses how politics and power affect the ways that medicine is taught and learned Challenging society's historic reluctance to connect the realm of politics to the realm of medicine Medical Education Politics

and Social Justice The Contradiction Cure emphasizes the need for medical students to engage with social justice issues including global health crises resulting from the climate emergency and the health implications of widening social inequality Arguing for an increased focus on community based learning rather than acute care this innovative text maps the territory of medicine s contradictory engagement with politics as a springboard for creative curriculum design It demonstrates why the socially disempowered such as political and climate refugees the homeless or those without health insurance should be primary subjects of attention for medical students while exploring how political engagement can be refined sharp cultivated and creative engaging imagination and demanding innovation Exploring how the medical humanities can promote engagement with politics to improve medical education this book is a ground breaking and inspiring contribution It is an essential read for all those with a focus on medical education and medical humanities as well as medical and healthcare students with an interest in the social determinants of health

Stidder, Sid Hayes, 2016-11-10 The Really Useful Physical Education Book offers support guidance and practical ideas for effective innovative and imaginative physical education lessons Underpinned by easy to understand theory this second edition is fully updated in line with the National Curriculum for Physical Education at Key Stages 3 and 4 and provides a wide range of high quality lessons alongside engaging teaching examples and methodologies With an emphasis on inclusive physical education it highlights the ways in which schools can re design the curriculum to ensure maximum enjoyment for all pupils Key topics covered include Planning progression and assessment Health and safety issues Inclusive track and field athletics Adapting activities to support SEND Swimming and water based activities Alternative activities including street surfing and combat sports Introducing dance into the curriculum Enjoyable gymnastics for physical literacy On site adventurous activities Values based teaching Teaching accredited awards Using new and emerging technologies The Really Useful Physical Education Book offers essential advice and inspiration for both trainee and practising teachers responsible for the 11-16 age range It is a must read for all those who want to make their lesson inclusive and fun whilst promoting a healthy lifestyle and enthusiasm for lifelong activity

Invisibility by Design Gabriella Lukács, 2020-01-03

In the wake of labor market deregulation during the 2000s online content sharing and social networking platforms were promoted in Japan as new sites of work that were accessible to anyone Enticed by the chance to build personally fulfilling careers many young women entered Japan s digital economy by performing unpaid labor as photographers net idols bloggers online traders and cell phone novelists While some women leveraged digital technology to create successful careers most did not In *Invisibility by Design* Gabriella Lukács traces how these women s unpaid labor became the engine of Japan s digital economy Drawing on interviews with young women who strove to sculpt careers in the digital economy Lukács shows how platform owners tapped unpaid labor to create innovative profit generating practices without employing workers thereby rendering women s labor invisible By drawing out the ways in which labor precarity generates a demand for feminized affective labor Lukács

underscores the fallacy of the digital economy as a more democratic egalitarian and inclusive mode of production

Affective Feminisms in Digital India Meena T Pillai, 2022-09-29 This book studies digital feminist activism in contemporary India. It provides a close and comprehensive analysis of the postmillennial digital moment in India which has given rise to new modes of women's digital dissent. The volume examines how anti-rape narratives, Feminichy scandals, MeToo movements and menstrual activism amongst a host of other performative feminist dissent and their discursive medialities create affective digital feminisms which both break with and continue the residual and emergent practices within feminisms in India. It looks at digital women's speak from India and focuses on vernacular forms of dissent through which the author aims to decolonize feminist imaginaries from their moorings in the West. The author explores new digital cultural and social geographies where politically untamed women use their precarity to unsettle deep sexist structures and mount a gendered critique of the political economy of the nation-state. An important contribution to the study of feminism in India, the volume will be useful for students and researchers of gender and women's studies, cultural studies, digital sociology, intersectional feminism, transnational feminism, digital humanities and South Asian studies. It will also be an appeal to readers interested in the history of women's dissent in India.

Popular Science Monthly and World Advance, 1925 **Secretly Yours** Tessa Bailey, 2023-02-07 AN INSTANT NEW YORK TIMES BESTSELLER From Tessa Bailey, 1 New York Times bestselling author, TikTok favorite and the Michelangelo of dirty talk, Entertainment Weekly comes a spicy small-town rom-com about a grumpy professor and the bubbly neighbor he clashes with at every turn. Hallie Welch fell hard for Julian Vos at fourteen after they almost kissed in the dark vineyards of his family's winery. Now the prodigal hottie has returned to Napa Valley and when Hallie is hired to revamp the gardens on the Vos estate, she wonders if she'll finally get that smooch. But the starchy professor isn't the teenager she remembers and their polar opposite personalities clash spectacularly. One wine-fueled girls' night later, Hallie can't shake the sense that she did something reckless, and then she remembers the drunken secret admirer letter she left for Julian. Oh shit. On sabbatical from his Ivy League job, Julian plans to write a novel. But having Hallie gardening right outside his window is the ultimate distraction. She's eccentric, chronically late, often literally covered in dirt, and so unbelievably beautiful he can't focus on anything else. Until he finds an anonymous letter sent by a woman from his past. Even as Julian wonders about this admirer, he's sucked further into Hallie's orbit. Like the flowers she plants all over town, Hallie is a burst of color in Julian's grayscale life. For a man who irons his socks and runs on tight schedules, her sunny chaotic energy makes zero sense. But there's something so familiar about her and her very presence is turning his world upside down. Tessa Bailey is the queen of rom-coms. Long may she reign. Julie Murphy, 1 New York Times bestselling author of *A Merry Little* *Meet Cute* *The Women of the Far Right* Eviane Leidig, 2023-09-19 On mainstream social media platforms, far-right women make extremism relatable. They share Instagram stories about organic foods that help pregnant women propagate the pure white race and post behind-the-scenes selfies at antivaccination rallies. These social media personalities model a feminine

lifestyle at once promoting their personal brands and radicalizing their followers Amid discussions of issues like dating marriage and family life they call on women to become housewives to counteract the corrosive effects of feminism and champion the Great Replacement conspiracy theory which motivated massacres in Christchurch El Paso and Buffalo Eviane Leidig offers an in depth look into the world of far right women influencers exploring the digital lives they cultivate as they seek new recruits for white nationalism Going beyond stereotypes of the typical male white supremacist she uncovers how young attractive women are playing key roles as propagandists organizers fundraisers and entrepreneurs Leidig argues that far right women are marketing themselves as authentic and accessible in order to reach new followers and spread a hateful ideology This insidious and highly gendered strategy takes advantage of the structure of social media platforms where far right women influencers content is shared with and promoted to mainstream audiences Providing much needed expertise on gender and the far right this timely and accessible book also details online and offline approaches to countering extremism
