**The Laws of M.O.S.E.S (America's Financial Future)** Claus M. Bohm, 2012-06-11 Dare to take a journey in a discussion to change the face of our financial world Discover a new way to run the United States economy with a simple approach that gives us all real freedom This content will not use economic jargon and complicated graphs It will analyze our system with simple models and theories We will then see how a system of fairness and equality can come from the effort This will be a true revolution in how we view money today and how we will handle it in the future This proposal questions and critiques our financial institutions It says we can do better to achieve something that has never been done before This unusual view of our financial system by spirituality and political morality will identify the hypocrisy of our times It will show and legitimize our reasons for building a new and sustainable capitalism
