

The book cover features a scenic landscape photograph. In the foreground, there is a grassy field with some rocks. A calm river or lake flows through the middle ground, reflecting the surrounding scenery. The banks are lined with trees, some of which have bright yellow autumn foliage. In the background, steep, rocky mountains rise, with patches of snow or light-colored rock visible on their slopes. The sky is a clear, pale blue.

Ecology Concepts Applications 4th Ed Fwwoev:

Ecology: Concepts and Applications Manuel C Molles, 2015-01-01 Ecology Concepts and Applications by Molles places great emphasis on helping students grasp the main concepts of ecology while keeping the presentation more applied than theoretical. An evolutionary perspective forms the foundation of the entire discussion. The book begins with the natural history of the planet, considers portions of the whole in the middle chapters, and ends with another perspective of the entire planet in the concluding chapter. Its unique organization of focusing only on several key concepts in each chapter sets it apart from other ecology texts. Users who purchase Connect Plus receive access to the full online ebook version of the textbook.
