A Creator's Guide to Transmedia Storytelling: How to Captivate and Engage Audiences Across Multiple Platforms Andrea Phillips, 2012-06-21 A guide to Transmedia Storytelling It is buzzword for a new generation a revolutionary technique for telling stories across multiple media platforms and formats and it s becoming the go to strategy for businesses It also shows you how to utilize the marketing tools used by heavy hitters such as HBO and Sony Pictures at a fraction of cost [Package Your Knowledge Into Digital Products: Turn Insight Into Recurring Monthly Revenue](#) Ahmed Musa , 2025-05-23 You re sitting on a money machine and don t even know it Inside your head is valuable knowledge but until you package it right it s just wasted genius Package Your Knowledge Into Digital Products Turn Insight Into Recurring Monthly Revenue is your brass knuckle no fluff guide to transforming what you already know into scalable digital products that pay you month after month while you sleep eat or chill on a beach somewhere This ain t about ebooks that collect dust or courses no one finishes This is about building digital assets smart lean and addictive that people pay for again and again Inside you ll learn How to extract your knowledge and turn it into sellable binge worthy products The Digital Product Pyramid what to build first next and never How to create once and get paid forever this is where real leverage lives What most creators get wrong and how to skip straight to the cash flow The system that turns your insights into recurring revenue on autopilot If you re tired of trading hours for dollars If you ve got expertise and want to finally profit from it If you want freedom scale and cash that keeps coming This book is your launchpad Because once you package your knowledge the right way you don t chase money money chases you **Copyright and Anonymity in the Creative User-Generated World** Rachel Maguire, 2025-05-01 This book explores the relationship between copyright law online anonymity and creative user generated content CUGC Presenting original empirical findings the book evaluates the co existence of copyright law and normative systems regulating a CUGC landscape made up of artists photographers and writers and makes novel recommendations for copyright reform It takes a multi jurisdictional approach across Anglo American and EU legal systems using the UK USA and Germany as representative jurisdictions for legal analysis Qualitative findings are drawn from creators and communities on Reddit and 4chan Copyright subsists in much CUGC but pervasive anonymity makes it difficult for the law to regulate it effectively Simultaneously anonymity offers creative benefits in a way that highlights flaws in traditional justifications of copyright Comparisons between community norms and copyright law identify practical differences but also fundamental compatibilities in terms of ownership expectations However the simultaneous existence of legal and normative enforcement mechanisms complicates matters for creators and potential users with negative implications for creativity and copyright law While existing reform efforts have made suggestions to create a UGC exception these overlook and undermine the role of CUGC creators as copyright holders This can be addressed through the consideration of a framework of supplementary CUGC guidelines when developing such reforms This valuable resource for researchers and students provides

a distinct perspective in framing CUGC creators as copyright holders examining online anonymity as a pivotal factor influencing regulation
