From Blogs to Bombs Mark Pegrum, 2009 Digital technologies and their role in education impact of the internet especially with regards to children pedagogical social sociopolitical and ecological effects The Web Designer's Idea Book Volume 2 Patrick McNeil, 2010-09-19 Web Design Inspiration at a Glance Volume 2 of The Web Designer's Idea Book includes more than 650 new websites arranged thematically so you can easily find inspiration for your work Author Patrick McNeil creator of the popular web design blog designmeltdown.com and author of the original bestselling Web Designer's Idea Book has cataloged thousands of sites and showcases the latest and best examples in this book The web is the most rapidly changing design medium and this book offers an organized overview of what's happening right now Sites are categorized by type design element styles and themes structural styles and structural elements This new volume also includes a helpful chapter explaining basic design principles and how they can be applied online Whether you're brainstorming with a coworker or explaining your ideas to a client this book provides a powerful communication tool you can use to jumpstart your next project Disruption and Digital Journalism John V. Pavlik, 2021-10-06 This book offers a timely insight into how the news media have adapted to the digital transformation of public communication infrastructure Providing a conceptual roadmap to understanding the disruptive innovative impact of digital networked journalism in the 21st century the author critically examines how and to what extent news media around the world have engaged in digital adaptation Making use of data from news media content production and distribution both off and online as well as user and financial data from the U.S. and internationally the book traces how the news media embraced and reacted to key developments such as the invention of the World Wide Web in 1989 and the launch of Google in 1998 Facebook in 2004 and the Apple iPhone in 2009 The author also highlights innovative organizations that have sought to reimagine news media that are optimized for digital online and mobile media of the 21st century demonstrating how these groups have been able to stay better engaged with the public Disruption and Digital Journalism is recommended reading for all academics and scholars with an interest in media digital journalism studies and technological innovation **Foreign Correspondence** John Maxwell Hamilton, Regina G. Lawrence, 2013-09-13 Despite the importance of foreign news its history transformation and indeed its future have not been much studied The scholarly community often calls attention to journalism's shortcomings covering the world yet the topic has not been systematically examined across countries or over time The need to redress this neglect and the desire to assess the impact of new media technologies on the future of journalism including foreign correspondence provide the motivation for this stimulating exciting and thought provoking book While the old economic models supporting news have crumbled in the wake of new media technologies these changes have the potential to bring new and improved ways to inform people of foreign news In an increasingly globalized era journalism is being transformed by the effortlessly quick sharing of information across national boundaries As such we need to reconsider foreign correspondence and explore where such reporting is headed This

book discusses the current state and future prospects for foreign correspondence across the full range of media platforms and assesses developments in the reporting of overseas news for audiences governments and foreign policy in both contemporary and historical settings around the globe As Emmy Award and Pulitzer Prize winning correspondent Serge Schmemmann reminds us in this book quality journalism and unbiased reporting are as valid and necessary today as they ever were one of the primary tasks of journalists and scholars as they follow the changes taking place must be to ensure that the new international information order now imposed by the Internet remains true to the ideals and traditions that define our journalism This book was originally published as a special issue of *Journalism Studies* *Advertising and Promotion* Chris Hackley, Rungpaka Amy Hackley, 2021-01-27 Now in its fifth edition this popular textbook continues to provide a comprehensive insight into the world of advertising and promotional communications Unique in its approach the authors situate the key concepts of marketing communications from the perspective of advertising agencies and provide insight into what a career within an ad agency might be like Their critical approach grounded in up to date research allows the reader to develop an interdisciplinary understanding of marketing and advertising including business socio cultural media studies and consumer culture theory perspectives Along with striking full colour visual advertisements and illustrations new examples and case studies this fifth edition has been fully updated to include Two brand new chapters on Social Media Advertising and Digital Advertising Commentary on how the COVID 19 pandemic has and will impact advertising The evolving role of advertising agencies in the post digital era Emerging forms of advertising and promotion including the role of influencers

Entrepreneurship Heidi M. M. Neck, Emma L. L. Murray, Christopher P. Neck, 2024 Reporting Humanitarian Disasters in a Social Media Age Glenda Cooper, 2018-10-26 From the tsunami to Hurricane Sandy the Nepal earthquake to Syrian refugees defining images and accounts of humanitarian crises are now often created not by journalists but by ordinary citizens using Twitter Facebook YouTube Instagram and Snapchat But how has the use of this content and the way it is spread by social media altered the rituals around disaster reporting the close if not symbiotic relationship between journalists and aid agencies and the kind of crises that are covered Drawing on more than 100 in depth interviews with journalists and aid agency press officers participant observations at the Guardian BBC and Save the Children UK as well as the ordinary people who created the words and pictures that framed these disasters this book reveals how humanitarian disasters are covered in the 21st century and the potential consequences for those who posted a tweet a video or photo without ever realising how far it would go **The Routledge Companion to Political Journalism** James Morrison, Jen Birks, Mike Berry, 2021-10-19 This international edited collection brings together the latest research in political journalism examining the ideological commercial and technological forces that are transforming the field and its evolving relationship with news audiences Comprising 40 original chapters written by scholars from around the world The Routledge Companion to Political Journalism offers fundamental insights from the disciplines of political science media communications and
