Revelations Of Divine Love Julian Norwich:

Revelations of Divine Love Julian of Norwich, 2019-11-13 The fourteenth century anchorite known as Julian of Norwich offered fervent prayers for a deeper understanding of Christ's passion. The holy woman's petitions were answered with a series of divine revelations that she called shewings. Her mystic visions revealed Christ's sufferings with extreme intensity but they also confirmed God's constant love for humanity and infinite capacity for forgiveness. Julian of Norwich's Revelations of Divine Love have had a lasting influence on Christian thought. Written in immediate compelling terms, her experiences remain among the most original and accessible expressions of medieval mysticism. This edition contains both the short text which is mainly an account of the shewings and Julian's initial analysis of their meaning and the long text completed some 20 years later and offering daringly speculative interpretations.

Revelations of Divine Love Julian (of Norwich), 1911

Revelations of Divine Love Julian of Norwich, 1999-02-01 One of the first woman authors Julian of Norwich produced in Revelations of Divine Love a remarkable work of revelatory insight that stands alongside *The Cloud of Unknowing* and *Piers Plowman* as a classic of Medieval religious literature. After fervently praying for a greater understanding of Christ's passion, Julian of Norwich, a fourteenth century anchorite and mystic, experienced a series of divine revelations. Through these showings, Christ's sufferings were revealed to her with extraordinary intensity, but she also received assurance of God's unwavering love for man and his infinite capacity for forgiveness. Written in a vigorous English vernacular, the Revelations are one of the most original works of medieval mysticism and have had a lasting influence on Christian thought. This edition of the Revelations contains both the short text which is mainly an account of the showings themselves and Julian's initial interpretation of their meaning and the long text completed some twenty years later which moves from vision to a daringly speculative theology. Elizabeth Spearing's translation preserves Julian's directness of expression and the rich complexity of her thought. An introduction, notes, and appendices help to place the works in context for modern readers. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
