Rhetorical Grammar Martha Kolln, Loretta Gray, 2012-09 Rhetorical Grammar encourages writers to recognize and use the grammatical and stylistic choices available to them and to understand the rhetorical effects those choices can have on their readers *Rhetorical Grammar* Martha Kolln, 2003 Rhetorical Grammar encourages writers to recognize and use the structural and stylistic choices available to them and to understand the rhetorical effects those choices can have on their readers Rhetorical Grammar is a writer s grammar a text that presents grammar as a rhetorical tool avoiding the do s and don ts so long associated with the study of grammar It reveals to student writers the system of grammar that they know subconsciously and encourages them to use that knowledge to understand their choices as writers and the effects of those choices on their readers Besides providing key strategies for revision Rhetorical Grammar presents systematic discussions of reader expectation sentence rhythm and cohesion subordination and coordination punctuation modifiers diction and other principles Studying grammar from this rhetorical point of view defines the study of language as an intellectual exercise designed to open up students minds to the versatility beauty and possibilities of language Wallace's Dialects Mary Shapiro, 2020-05-14 Mary Shapiro explores the use of regional and ethnic dialects in the works of David Foster Wallace not

just as a device used to add realism to dialogue but as a vehicle for important social commentary about the role language plays in our daily lives how we express personal identity and how we navigate social relationships Wallace s Dialects straddles the fields of linguistic criticism and folk linguistics considering which linguistic variables of Jewish American English African American English Midwestern Southern and Boston regional dialects were salient enough for Wallace to represent and how he showed the intersectionality of these with gender and social class Wallace s own use of language is examined with respect to how it encodes his identity as a white male economically privileged Midwesterner while also foregrounding characteristic and distinctive idiolect features that allowed him to connect to readers across implied social boundaries

Style and the Future of Composition Studies Paul Butler,Brian Ray,Star Medzerian Vanguri,2020-11-02 Style and the Future of Composition Studies explores style s potential for informing how students are taught to write well and its power as a tool for analyzing the language and discourse practices of writers and speakers in a range of contexts Many college writing teachers operate under the belief that style still refers primarily to the kinds of issues discussed in Strunk and White s popular but outdated book The Elements of Style This work not only challenges this view but also offers theories and pedagogies from diverse perspectives that help teachers and students develop strategic habits and mindsets to negotiate languages genres and discourse conventions The chapters explore the ways in which style directly affects and is affected by multiple sources of shifting disciplinary inquiry contributing new insights by drawing on research in cultural studies sociolinguistics discourse studies translingualism and writing across the curriculum as well as new approaches to classical rhetorical theory The reemergence of stylistic inquiry can be used dynamically to produce new insights not only about emerging disciplinary interests but also about the study of style as a kind of language in and of itself Style and the Future of Composition Studies demonstrates that style deserves to be a central focus of writing teaching More than just the next style collection the book advocates for style s larger prominence in composition discussions generally It will be of interest to a broad range of students and scholars of writing studies as well as a wider set of readers in academe Contributors Cydney Alexis Laura Aull Anthony Box Jimmy Butts Mike Duncan William FitzGerald Melissa Goldthwaite Eric House TR Johnson Almas Khan Zak Lancaster Eric Leake Andrea Olinger Thomas Pace Jarron Slater Jonathan Udelson
