INTRODUCTION

Which sounds better: being financially illiterate or being rich? Down most I want to be financially rich, but then I tend to forget that the future is uncertain and that they will never actually be rich. But here you are or aren't up to you. If you make the decision to be rich and adopt the mindset of the rich, there is no reason why you can't have it all. First, however, there are a few things you need to learn as they really get rich quick. Here, then, I will work in practice. Being rich means investing in financial education and literacy until financial literacy becomes second nature. It means learning how to grow a business and thus using the extra money you accumulate much more better investment. The first thing to get is the right form of money and get from saying I will never be rich to I am going to be rich and then how. In this summary guide, I will learn that the rich don't invest in themselves as the rich middle classes why tend to not tax your pre-tax income than your taxed income and where you get an education, work hard, and money is bad advice.
