Route 66 Theme Song Game - We Still Do Give a Whoot! Joshua Kind,2023-07-21 66 The Route We still do give a

whoot on 66 the route This is the theme song of Whoot 66 which is the name of our celebration of the 100 year anniversary of Route 66 from 1926 to 2026 You might say that the route already has a theme song however you might agree that Route 66 is more than about only heading West and includes way more than only 13 cities For the next 100 years of Route 66 there could be a new theme song that allows people to add their own verses to include their own experience whether traveling West or East or about any of the hundreds of interesting points along the way This theme song would consider that while there always seems to be some sort of trouble there are also many reasons to laugh at ourselves and sing about the silly things that we cause for ourselves where the laughter can help us move forward to better places and more smiling faces So go ahead and write your own verse laugh at yourself while you travel on this journey If you still do give a whoot even though you might have plenty of troubles you might find a whole lot of others like yourself as you travel on 66 the route Meet those people on the route and get together for campfires and have fun making up new verses for the 66 The Route theme song together Sing acapella with friends or play it on a guitar or ukulele
