Bosnian: Ibn Ashur: Treatise on Maqasid Al-Shariah
 Muhammad al-Tahir ibn Ashur,2019-01-01 Shaikh Muhammad al Tahir ibn Ashur is the most renowned Zaytuna Imam and one of the great Islamic scholars of the 20th century The publication of this translation of Shaikh Ibn Ashur s Treatise on Maqasid al Shari ah is a breakthrough in studies on Islamic law in the English language In this book Ibn Ashur proposed Maqasid as a methodology for the renewal of the theory of Islamic law which has not undergone any serious development since the era of the great imams Ibn Ashur quite courageously also addressed the sensitive topic of the intents Maqasid of Prophet Muhammad SAAS behind his actions and decisions He introduced criteria to differentiate between the Prophetic traditions that were meant to be part of Islamic law and the Prophetic actions sayings that were meant to be for the sake of specific purposes such as political leadership court judgment friendly advice and conflict resolution But Ibn Ashur s most significant contribution in this book has been the development of new Maqasid by coining new contemporary terminology that were never formulated in traditional Us l al Fiqh For example Ibn Ashur developed the theory of the preservation of lineage into the preservation of the family system the protection of true belief into freedom of beliefs etc He also introduced the concepts of orderliness natural disposition freedom rights civility and equality as Maqasid in their own right and upon which the whole Islamic law is based This development opens great opportunities for Islamic law to address current and real challenges for Muslim societies and Muslim minorities

Rocking Islam Fatma Sagir,2021 Music has the universal power to move individuals peoples and societies Music is one of the most important signifiers of cultural change It is also most significant for youth movements and youth cultures While Islam has a historically and traditionally rich culture of music religious controversy on the topic of music is still ongoing However young Muslims in today s globalised world seek pop cultural tools such as music and particularly hip hop music as way of exploring and expressing their manifold identities whilst challenging Islamophobia stigma and racism on the one hand and traditional and religious challenges on the other hand In this volume following an international conference with the same title scholars and young academics from a variety of disciplines seek to explore and highlight the phenomena surrounding the two somewhat artificially separated realms of music and religion The contributions not only look into different genres of music from Tunisian metal over German female hip hop to Egyptian folk but take the reader on a journey from continent to countries to cities and rural areas and thus give space and time to a widely neglected area of research that of Muslim popular culture and young Muslims
