

Dialogue between a lawyer and a client

Lawyer: Good Afternoon Miss nice to see you, How are you?

Client: I'm good, thank you.

Lawyer: Tell me, what brings you here today and how can I help you?

Client: I believe I have grounds for breach of contract with my tenant for not paying rent for six months and I need your help with the legal proceeds to evict.

Lawyer: Did you do a verbal or a written contract?

Client: We did a written and signed contract.

Lawyer: Did you bring the leasing Contract with you?

Client: Yes, I have it with me.

Lawyer: Great! From what I can see this contract was in fact breached when your tenant missed out on the agreed payments.

This breach of the lease could order your tenant to pay the overdue amount and legal costs plus forfeit your property.

Client: That sounds great but before we proceed I would like you to inform me of your fees.

Lawyer: To start out this process I will charge 250 euros and as we go on I'll inform you before going ahead.

Client: Okay, agreed! What's the next step?

Lawyer: I will take legal action against this breach of contract and request the court to begin the process of eviction also request the overdue amount as soon as possible.

I will call you next week to let you know exactly where we stand.

Sample Dialogue Between Counselor And Client

Samuel T. Gladding

Sample Dialogue Between Counselor And Client:

guidance on how to handle issues of spirituality in furthering the therapeutic process

Applying Career Development Theory to Counseling Richard S. Sharf, 1992 This book emphasizes theories in career development most books for this course emphasize practice and applications and follow only one method or many components of methods Each theory gives insight into various perspectives on career development as it affects career counseling and the theories organize facts into a comprehensible system for students to understand and use rather than overwhelming them with unrelated lists of information Each theory is discussed in terms of its implications for using occupational information for using tests and for special issues which may affect application of the theory Case examples with sample dialogue show how the theories have been applied helping students directly relate career theory and research to the practice of counseling

Counseling and Psychotherapy Allen E. Ivey, Mary Bradford Ivey, Lynn Simek-Morgan, 1997 This edition covers the major theories in detail and takes theory directly to practice The text has a strong multicultural orientation and illustrates how traditional theory can be adapted with many different populations

Working Papers, 1987

The World of the Counselor Ed Neukrug, 2007 Neukrug's comprehensive introductory text gives students an unparalleled look into the practicalities of the counseling profession providing them with a broad overview of the field including a firm foundation in the skills theories and day to day realities of the job Thorough and research based the book presents the key concepts and material about the counseling profession with great clarity and insight while keeping readers engaged through the many illustrative case examples and personal narratives To ensure that students are thoroughly prepared to further their studies and careers Neukrug has structured around the eight core CACREP curriculum areas while enhancing his discussion with insightful coverage of salient topics surrounding such important issues as specializations within counseling finding a counseling job and future trends in counseling

Counseling Samuel T. Gladding, 1996 Encompassing many aspects of counselling this work organizes coverage around a developmental framework illustrating the growth and evolution of counselling as a profession and defining where and how it differs from other helping specialties Part One explores the history of the counselling field professional issues the qualities of effective counsellors and the challenges they face In Part Two the process stages and theories of the counselling profession are highlighted beginning with discussion of universal aspects of counselling followed by specifics of client service In Part Three the text examines counselling as it is actually practiced in a variety of situations for a variety of clients

Introduction to Counseling Michael S. Nystul, 2006 This book provides an overview of the counseling profession It is written from the perspective of counseling and psychotherapy as both an art and a science The first of the book presents an overview of counseling and the counseling process The second part of the book provides information on formulating a personal approach to counseling with a multicultural perspective The third part of the book addresses special approaches and settings for counselors

Gestalt Approaches to Counseling Hershel Allan Dye, Harold Hackney, 1975

Counselor Education and Supervision, 1985

Philosophical Counseling Peter B. Raabe, 2001 Annotation Critiques existing

theoretical approaches and practices of philosophical counseling and presents a new model **Multicultural Issues in Counseling** Courtland C.
