Researching Society and Culture Clive Seale, 2012-02-22 The much anticipated Third Edition of Clive Seale's bestselling title further expands its coverage to provide an authoritative introduction to all of the social research methods used to analyze qualitative and quantitative data Written by internationally renowned experts every chapter is packed with real world examples student friendly learning aids and helpful practical tips

Society and Culture Bryan S Turner, Chris Rojek, 2001-04-11 *Society and Culture* reclaims the classical heritage provides a clear eyed assessment of the promise of sociology in the 21st century and asks whether the cultural turn has made the study of society redundant Sociologists have objected to the rise of cultural studies on the grounds that it produces cultural relativism and lacks a stable research agenda This book looks at these criticisms and illustrates the relevance of a sociological perspective in the analysis of human practice The book argues that the classical tradition must be treated as a living tradition rather than a period piece It analyzes the fundamental principles of belonging and conflict in society and provides a detailed critical survey of the principal social theories that offer solutions to the challenges of modernism
