Min. David Baxley,2018-05-14 The Book of Revelation has long been thought of as a formidable and confusing work understandable to only elite bible scholars But like its very name Revelation understanding of this seemingly complex book is available to all God has even promised a special blessing to those who read it David Baxley D Min has broken down the perceived barriers and written a simple verse by verse commentary that is understandable to even beginning bible students It includes maps a chronology of end time events and wars definitions and cross references to Old Testament scriptures that point to the time of the end He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book It's a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice and believers will live with God forevermore A bible student for over 50 years and pastor for over 40 Dr David Baxley has studied and taught the Book of Revelation extensively While in the hospital recovering from a heart transplant he realized that the sequence of end time events was still not clear in his mind so he spent the next two years in intense study This book is the result of that study *Rose Guide to End-Times Prophecy* Timothy Paul Jones,David Gundersen,Benjamin Galan,2021-08-03 Rose Guide to End Times Prophecy is an explanation of end times prophecy and the Book of Revelation from several Christian viewpoints Bible prophecy says that Jesus will come again and Christians have wondered for centuries when and how that would take place Includes Book of Revelation Charts and More than 50 Charts Diagrams and Illustrations Rose Guide to End Times Prophecy includes all of the basic end time prophecy charts Christians need to navigate the Book of Revelation the Book of Daniel and other prophetic Bible passages Book of Revelation Charts 4 Views of the End Times Comparison Chart Comparison Charts and Eschatology Charts of Amillennialism Dispensational

The Fullness of Times Douglas Berner, 2018-07-31 The Fullness of Times A Charted View of Revelation the Sequence of Prophetic Events of the End Times is a uniquely visual approach to Bible prophecy and the book of Revelation This book takes up the challenge of Bible prophecy and the puzzle regarding the chronology of end time prophetic events to bring a more comprehensive understanding of key passages in the book of Daniel and the book of Revelation The Fullness of Times is distinctive in its approach to simplifying the complexity of Bible prophecy through an emphasis on illustrations mixed with commentary It provides a graphical study guide for the book of Revelation incorporating timelines sequences of events analytical charts and logic problems as well as numerous examples of apocalyptic art depicting scenes from the Bible created by artists over the past 1 000 years Instead of a verse by verse commentary The Fullness of Times takes a chapter by chapter approach to the book of Revelation with a focus on understanding the sequences of events and the timelines of the action in each chapter This study examines several overarching issues including

- 1 The Three sequences of God's judgments the seven seals seven trumpets and seven bowls through their sequential and telescopic progression
- 2 The conflicting views regarding God's Two Witnesses and Satan's Two Beasts and their impact upon the overall timeline of the End Times
- 3 The Warning of the three woes and how they significantly impact our understanding of the prophetic timeline
- 4 The progression of the Beast how the sequences of beasts heads horns and crowns in Daniel and Revelation influence the solution of the prophetic puzzle

Douglas Berner is a retired Criminal Investigator who applies skills of case analysis and the evaluation of criminal evidence to the examination of the prophetic puzzle of the End Times The Fullness of Times A Charted View of Revelation the sequence of Prophetic Events of the End Times is the fourth book in a series of comprehensive examinations of Bible prophecy by Douglas Berner

The Rapture: A Pre- or Post-Tribulation Event? Colleen Wandmacher, 2023-07-27 God tells us not to be deceived about the timing of us being caught up to meet Jesus in the air an event Christians refer to as the rapture He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events Diligently studying pertinent Scriptures in God's Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us This book helps the reader to deeply study the Word of God to see the truth I've read a large number of books on the rapture debate and in my opinion this excellent book is by far the best While reading this book I felt like my spiritual glasses were being cleaned so I could see the simplicity of the truth of scripture again Well done Colleen Marvelous Five gold stars from me I have read several books about the rapture and end time prophecy including Pre Tribulation and Mid

Tribulation and when I come across this book it was so clear logical and well written based solely on the scripture that I could grasp the subject clearly and convincingly which has helped me tremendously in making up my mind where to stand on the subject of the timing of the rapture at the end time Really recommended **Revelation** Brian Lochbrunner,2024-03-15

Hidden But Now Revealed G. K. Beale, Benjamin L. Gladd, 2014-11-21 This book explores the biblical conception of mystery as an initial partially hidden revelation that is subsequently more fully revealed shedding light not only on the richness of the concept itself but also on the broader relationship between the Old and New Testaments As

such it is a model for attentive and faithful biblical theology A Study in the Revelation Michael J Tiry, 2024-08-15 A Study in the Revelation is a verse by verse commentary on the Bible s final book exploring end time events and God s eternal plan It connects future events to history and explains God s purposes for Israel and the Church **A Literal Interpretation of the Messages Delivered to Daniel** Dr. Albert Heaney, 2021-09-09 After completing a detailed study of the Book of Revelation and then writing the book entitled The Revelations and Warnings of Jesus to His Church I was challenged by claims of modern day scholars that additional revelations and modifications of some of the material found in the Book of Revelation could be found in the Book of Daniel After my study of the Book of Revelation I came to the conclusion that the Book of Revelation which deals primarily with end time events is a complete book as it stands All the major events that will occur in the end times is listed and the Book of Revelation as written is complete no modifications or additions are needed The book itself contains a warning that if anyone adds to or takes away from the words of this prophecy God will take away his part from the tree of life Rev 22 18 19 A study of the Book of Daniel was necessary so as to discover the true messages found in the book and dispel the false messages some have claimed can be found in the book The Book of Revelation clearly deals with end time events whereas the Book of Daniel deals primarily with the events of God s people in Daniel s day Although there are some general references to end time events the primary focus of the Book of Daniel deals with events of Daniel s day The book shows the intimate relationship God has with His people as they go through the tragic times of their day He first warns His people then redeems them in the time of their deepest needs 2
