## **Ride For Your Life Grubby:**

**The Worry Go Round** Melanie Cross, 2011-06-14 Description Mel Cross wrote her extraordinary book because when in the depths of depression she couldn't find a book to explain what it was really like to be in the place where she was. Like many sufferers Mel found that there were plenty of medical books and books which seemed patronising but no books expressing what it was really like to be deeply depressed. Melanie wanted to use her experience to help other people understand the illness and even be able to draw on experiences from the book to help themselves or friends or family who are suffering. This book describes how a normal person with a normal life overcomes chronic depression. Mel is not ashamed of her depression and hopes her book will allow others to feel the same way. About the Author Melanie Cross was born in Bristol in 1971 and now lives in the lovely Painswick valley in the Cotswolds with her husband, daughter and crazy cat George. In 1995 Melanie completed a B Ed Hons degree and went on to teach at a primary school in Bristol until she became ill in 1999. As she recovered she went on to run and manage an Animal Care Centre and took further qualifications in feline behaviour and became an assessor of NVQs in Animal Care. Mel took time off from her animal care work in order to write her book. She now lives a very happy life doing the most important job in the world: being a mum. *Wild Ride* Jacqueline

Guest, 2011-01-04 In this sequel to *Lightning Rider* January and her family have taken in an RCMP summer student as a boarder. When Willow Whitecloud pulls up on her Kawasaki ZX 10R, January takes an instant liking to her. Willow becomes both a friend and a spiritual guide who helps January connect with her Native heritage. But January is shocked when a number of clues suggest that her mentor may be involved in illegal activity that threatens the natural world she has taught January to respect. Fry Reading Level 3.3 **Zoo City** Lauren Beukes, 2010-09-02 WHERE NO ONE ELSE DARE VENTURE Zinzi has a Sloth on her back, a dirty online 419 scam habit and a talent for finding lost things. But when her latest client, a little old lady, turns up dead and the cops confiscate her last paycheck, she's forced to take on her least favourite kind of job: missing persons. An astonishing second novel from the author of the highly acclaimed *Moxyland*. FILE UNDER Modern Fantasy. Black Magic Noir. Pale Crocodile. Spirit Guardians. Lost Stars. *Huckleberry's for Runaways* Larry Beggs, 1969

*Ride the Waves* Ann E. Van Dyke, 2018-12-18 In September 1996 while Ann Van Dyke watched television with her husband Bryan, she decided she wanted to be a hospice volunteer. But as she trained through a Denver hospital, Ann had no idea that Spirit was guiding her to prepare for a task that would ultimately take ten years to complete. In a moving memoir, Ann chronicles her courageous and determined journey as she cared for her mother in her final years, uncovered shocking secrets about her family and finally faced the grave news that her husband Bryan had ALS. As she vacillates between her memories of days gone by and her new reality, Ann leads others down an emotional path as she moved through the process of denial to acceptance, tested her spiritual fortitude, found joy even in the darkest of days and learned practical coping skills. Through it all, Ann proves that no matter what our challenges, it is possible to persevere, laugh and find a new beginning. *Ride the Waves*
