opening material entries provide information about each show's network history and years of broadcast. Many entries include descriptions of the show, the names of announcers, and a list of main cast members, as well as a sponsor pitch exactly as spoken. Openings for programs with multiple introductions like *The Adventures of Ozzie and Harriet* and *Charlie's Angels* are also included. For programs that featured new guest stars every episode such as game shows and variety programs, Terrace has selected a representative introduction. In addition to the theme song credits found in the main text, there are also appendixes of theme songs and their composers and/or singers, as well as a listing of commercial releases on DVD, VHS, CD, and LP of shows and their soundtracks.
