Ruling The Void The Hollowing Of Western Democracy:

Ruling the Void Peter Mair, 2023-01-17 A classic account of democracy's crisis of legitimacy The age of party democracy has passed argues Peter Mair in *Ruling the Void* The major parties have become so disconnected from society that they no longer seem capable of sustaining democracy in its present form First published in 2013 *Ruling the Void* presciently observed that the widening gap between citizens and their political leaders posed a crisis of legitimacy for the governing class and was fuelling populist mobilizations against it Europe's political elites had remodelled themselves as a homogeneous professional class withdrawing into state institutions that offer relative stability in a world of fickle voters Meanwhile non democratic agencies and practices proliferated not least among them the European Union itself Mair weighs the impact of these changes and offers an authoritative assessment of the prospects for popular political representation today not only in the varied democracies of Britain and the EU but throughout the developed world With a new Introduction by Chris Bickerton author of *The European Union A Citizen's Guide* *The Re-invention of the European Radical Right* Andrej Zaslove, 2011 A look at the forces behind the rise of contemporary Europe's radical right

The Role of Parties in Twenty-First Century Politics Luciano Bardi, Stefano Bartolini, Alexander H. Treschel, 2017-10-02 For a long time analyses of political parties were framed within the usual context of democracy and of the historical transformation of the forms of democratic government More recently several authors among which eminently Peter Mair progressively began to question the relationship between the normative definition of democratic government and the actual operation of parties These new concerns are well epitomized by the tension between responsiveness and responsibility that gives the title to this book While classic democratic theory sees as desirable that parties in government and in opposition too are sympathetically responsive to their supporters first and more generally to public opinion and at the same time responsible toward the internal and international systemic constraints and compatibilities these two roles seem to have become more difficult to reconcile and even increasingly incompatible The chapters of this book explore the tensions between responsiveness and responsibility decomposing the international sources from the domestic sources and discussing the options and the possibilities for political

parties to continue to play the role of provider of political stability in rapidly changing domestic and international environments This book was published as a special issue of *West European Politics* **Corbyn** Richard Seymour,2017-12-05 How Jeremy Corbyn the radical left candidate for the Labour leadership won twice and won big In the 2017 general election Jeremy Corbyn pulled off an historic upset attracting the biggest increase in the Labour vote since 1945 It was another reversal of expectations for the mainstream media and his soft left detractors Demolishing the Blairite opposition in 2015 Corbyn had already seen off an attempted coup Now he had shattered the government's authority and even Corbyn's most vitriolic critics have been forced into stunned mea culpas For the first time in decades socialism is back on the agenda and for the first time in Labour's history it defines the leadership Richard Seymour tells the story of how Corbyn's rise was made possible by the long decline of Labour and by a deep crisis in British democracy He shows how Corbyn began the task of rebuilding Labour as a grassroots party with a coalition of trade unionists young and precarious workers students and Old Labour pugilists who then became the biggest campaigning army in British politics Utilizing social media activists turned the media's Project Fear on its head and broke the ideological monopoly of the tabloids After the election with all the artillery still ranged against Corbyn and with all the weaknesses of the Left's revival Seymour asks what Corbyn can do with his newfound success Reinforcing Rule of Law Oversight in the European Union Carlos Closa,Dimitry Kochenov,2016-10-13 This book provides an analysis of key approaches to rule of law oversight in the EU and identifies deeper theoretical problems Peter Mair, Ruling the Void. The Hollowing of Western Democracy, Londres, Verso, 2013, 160 Pp Víctor Hugo Martínez González,2014 Comparative Politics Daniele Caramani,2011-02-17 Comparative Politics provides a comprehensive introduction to political systems around the world It covers methods and theories the nation state institutions actors and processes policies and recent changes **Democratic Failure** Melissa Schwartzberg,Daniel Viehoff,2020-11-17 Explores the challenges facing democracies in the twenty first century In *Democratic Failure* Melissa Schwartzberg and Daniel Viehoff bring together a distinguished group of interdisciplinary scholars in political science law and philosophy to explore the key questions and challenges facing democracies both in the past and present around the world In ten timely essays contributors examine the fascinating centuries old question of whether or not democracy can ever fulfill the promise of its ideals Together they explore lessons from the history of democracy various failures of democratic representation and more Ultimately this latest installment of the NOMOS series provides thought provoking insights into how we conceptualize measure and address democratic erosion in our present day world Beyond the Nation State David Hanley,2008 The vast literature on globalization integration and supranational bodies such as the EU dwells mainly on the problems which such processes pose for the nation state States are seen as needing to provide responses to these new challenges but parties within those states are equally challenged David Hanley examines how parties address those challenges and the manner in which parties act at supranational level *The Journal of Parliamentary Information* ,2014 **Disarmament Forum** ,2010
